**START >>>** 062 **YOUNG BJORN**  
That was amazing bear cub!

063 HRANE  
Well Done Prince Olaf! What say you  
men!?!?!

WALLA: "HUZZZAH! PRINCE OLAF! BY THE GODS, THE  
LAD CAN FIGHT! RAAAAAH!"

064 HRANE  
You do your forefathers proud my  
Prince. Well done! Men! Gather your  
goods! We sail upon the hour!

HRANE LEAVES AS THE MEN GATHER THEIR LOOT.

065 YOUNG OLAF  
Bjorn... Something doesn't feel  
right...

066 **BJORN**  
Huh? Olaf, you just had your first  
raid. You killed a Jarl  
singlehanded! This is the beginning  
of your glory bear cub!

067 YOUNG OLAF  
But look at the men.

068 **YOUNG BJORN**  
They're laughing as they loot.

069 YOUNG OLAF  
Look at that one. As he finishes  
laughing. Watch.... His eyes...  
They're dead.

070 **BJORN**  
Olaf, you're scaring me brother...

**<<< END**

071 YOUNG OLAF  
The eyes of the dead. This is not  
the glory I'm called to Bjorn. We  
are Vikings. This was a moment of  
rage and fire. But it has left me  
with only the beast in myself. The  
jarl I killed, There was something  
different in his eyes. There was  
something living there.
