START >>>

099 **BJORN**

Its us, Olaf!

THE DOOR SWING OPEN

100 OLAF

Bishop Grimketel? Bjorn?

101 **BJORN**

QUICK!

102 BISHOP GRIMKETEL

My King! There isn't a second to
lose!

103 OLAF

Slow down men! What is it?!

104 **BJORN**

Thorir Hund and an army are an hour
away. They are coming for your
head!

105 OLAF

All our men are scattered and
resting from their last campaign!
Curse my carelessness! Everyone
they find here will be slaughtered!

106 **BJORN**

Curses on that Hund! Regardless,
the garrison here will fight and
die for their King!

107 OLAF

No, let them live to fight another
day. Tell all the men to scatter. I
will flee the country, Bjorn. I am
a fool to have let Thorir travel
freely about and now I'm reaping my
reward. Get the honor guard ready
to travel.

108 BISHOP GRIMKETEL
But where will you go?

109 OLAF
We will seek sanctuary with King
Ufto in Sweden.

110 ASTRID
Olaf, our children -

111 OLAF
Get them ready to go, quickly!

ASTRID RUSHES OUT TO FIND THE CHILDREN

112 BJORN
I'll get our bags/

113 OLAF
No, Bjorn. I need you to gather all
the loyal Jarls. Tell them to
disperse and to wait. They must
survive so I may call on their aid
when I return. As soon as that is
done, take your men back to
Ringerike. Make sure my mother and
siblings are safe. I promise you my
friend, I will return!

114 BJORN
Olaf! I... It will be done.

115 OLAF
Bishop. Defend our churches. Do not
let all our work be for naught.

116 BISHOP GRIMKETEL
It will be done my King. Now Go! Do
not tarry!

ASTRID RETURNS:

117 ASTRID
The children are ready! To my
Father's?

118 OLAF
Yes. Bishop, Bjorn I swear to you,
I will return! I will return!

WALLA: OLAF AND THE ROYAL RETINUE DISAPPEARING
INTO THE NIGHT

119 **BJORN**
We will wait. Now move! PAX
VOBISCUM!

<<< END

120 OLAF
(fading)
ET CUM SPIRITU TUO!

121 BISHOP GRIMKETEL
So he flees - the true king of
Norway. Oh Heavenly Father, guide
us!
