WALLA: FEASTING AND FESTIVITIES RESUME

009 SIGRID

It is good to have you back, Olaf.

010 ASTA

You have grown into the king that I  
knew you would, my son.

011 OLAF

Thank you foster father. I am no  
king yet mother. I must claim the  
kingship, ensure that all regional  
jarls bend the knee, and defeat the  
Earl Of Lade, old Sweyn Hakansson.  
His allegiance has always been to  
that King Ufto of Sweden.

012 SIGRID

Thorir of the House of Hund is  
already moving in the South. I do  
not trust him. He has always valued  
his independence over the  
fraternity of his countrymen. You  
can trust that the Lords of  
Ringerike are with you, Olaf. We  
will summon the other noble lords  
to your banner.

013 OLAF

Both my banner and the banner of  
Christ. Christ is the only thing  
that will unite this hardened  
people of ours.

014 ASTA

My son, many of our people will not  
be pleased to leave the old ways.

015 OLAF

Pleased or not, the old ways are  
finished here. I will claim the  
throne. The people will see that  
even the King bows to the one true  
God. They will follow.

016 SIGRID

It is a mad plan Olaf. But we are  
with you. It is time that Norway  
had a true King!

Good. The new campaign begins  
today! MEN!
