117 BISHOP GRIMKETEL

By the decree of the King! The
Teachings of Christ are to be the
law of the land! As King Olaf is
the Lord of our great country, so
Christ shall be the Lord of us all!
This conduct is enshrined here as
the new Moster Law. Ave Christus
Rex!

118 ALL

121 DANISH HERALD

Announcing Jarl Thorir Hund of
Norway! KNEEL BEFORE KING CNUT THE
GREAT, Lord of the Danes and
wielder of Fate!

122 THORIR HUND

Great King!

123 **KING CNUT**

START >>>

Rise, Jarl Hund. So, you bring
concerns regarding this new King
Olaf?

124 THORIR HUND

He is an upstart - he destroys the
old temples and forces his religion
on all of us! And the people, my
people, seem to want his christian
way? His soft way! His womanish
way! HAH! OLAF has not Avenged a
single blood oath on the jarls he
has conquered!

(MORE)

THORIR HUND (CONT'D)
If I were king, all my conquered
jarls who took oaths against me
would lose their heads!

125 KING CNUT
A Norwegian who doesn't take
revenge on sworn blood oaths? That
is something new.

126 THORIR HUND
I want him gone! Myself and many
other jarls are eager to assist you
in bringing this daydreamer
toppling from the throne!

127 KING CNUT
Hmrrrrrr. I have been looking for a
way to reclaim my Norwegian lands.
I will organize an invasion. Take
this seal. Any Jarl who accepts
this token is gaurenteed a share of
danish gold. Foment a rebellion,
Jarl Hund, as I keep Haraldsson
focused on me.

<<< END

128 THORIR HUND
Thank you, oh thank you my lord!
Oh, Olaf! You vile usurper! I am
coming for you!

THE OMINOUS DEEP HORNS AND GROWLING KUNLING GROW
