

065 REYNIERS  
And it frightened you.

066 KIALA  
Yes.

067 REYNIERS  
Why?

068 KIALA  
Because men like Van Cauter don't  
fear loud men. They fear quiet  
men...immovable men.

11 EXT. RUBBER CAMP - DAY (FLASHBACK)

DAYTIME WORK. A WHISTLE. WORK STOPS TOO FAST.  
SILENCE LIKE A COMMAND.

Side 1  
START >>>

069 VAN CAUTER  
Enough.

RAIN DRIPS.

WALLA: MEN SUCK IN THEIR BREATH.

070 VAN CAUTER  
Bakanja.

071 ISIDORE  
Yes, sir.

072 VAN CAUTER  
You're doing it, again.

073 ISIDORE  
Doing what?

074 VAN CAUTER  
Standing there like you can't be  
touched.

075 ISIDORE  
That is not my intention.

076 VAN CAUTER  
You make them look at you.

077 ISIDORE  
They're free to look anywhere.

078 VAN CAUTER  
Remove it.

079 ISIDORE  
I can't.

080 VAN CAUTER  
You won't.

081 ISIDORE  
I can't.

082 VAN CAUTER  
(steps closer)  
Your God will not stop my hand?

083 ISIDORE  
When Job suffered, he said, "*Though  
he slay me yet will I trust him*"

084 VAN CAUTER  
This is your last chance!

085 ISIDORE  
I am hurting no one. My work has  
not suffered. If I take off this  
scapular, and break my sacred  
promise...you own more than my  
work.

A beat.

WALLA; A WORKER'S BREATH CATCHES.

086 VAN CAUTER  
(quiet, dangerous)  
Take him.

087 KIALA  
Wait - please -!

088 WORKER 1  
Sir -

089 VAN CAUTER  
Now!

**<<< END**

MEN GRAB ISIDORE. STRUGGLE IN MUD.

090 ISIDORE  
(to the others)  
Do not fight them.

091 KIALA  
Isidore -!
