

**START >>>**

005 CONDUCTOR

Next stop: Rochester, New York!

006 EDITH

(fuming)

I'll never get over this.

007 FULTON

Edith-

008 EDITH

Oh, don't 'Edith' me. I know you won't speak a foul word of anyone. Even Cardinal Spellman. But I still can't believe he has *banished* us to this Ecclesiastic Siberia!

009 FULTON

Edith!

010 EDITH

Oh what? Those are the words *he* and the other priests are using! Hasn't he punished you enough, Bishop?

011 FULTON

This is an opportunity, Edith. I have never once lead my own parish, let alone my own diocese.

012 EDITH

The world is your parish, Bishop.

013 FULTON

*Rochester* is my parish, Edith.

014 EDITH

We have worked so hard for everything we've achieved. This is a hard slap in the face.

015 FULTON

(calmly)

We are not yet what we can become.

A BEAT. THE TRAIN SLOWS.

016 CONDUCTOR

This stop: Rochester, New York!

017 FULTON

It's time. Let us meet our new flock.

MUSIC SWELLS AND THEN... THE TRAIN DOORS OPEN  
AND THE MUSIC FADES ABRUPTLY. SOMEONE COUGHS.

6 EXT. TRAIN - A FEW MINUTES LATER

018 FATHER REGAN  
Bishop Sheen? Edith? Father Roger  
Regan, sir. With the diocese.

019 EDITH  
Where's everyone else?

020 FATHER REGAN  
Uh, everyone else?

021 EDITH  
I just assumed more people would be  
here to greet the new Bishop. Where  
are the cameras? News vans?

022 FATHER REGAN  
I'm sorry to disappoint. I'm sure  
there will be a good crowd at the  
installation, I- just, well boy,  
it's an honor to meet you, sir.

023 EDITH  
(suddenly charmed)  
Are you a fan?

◀◀ END

024 FATHER REGAN  
Well, yeah! I mean, I've seen all  
of your programs.

025 FULTON  
Pleasure to meet you, Father Regan,  
and to get started on what I know  
will be most important work here.

026 FATHER REGAN  
We're so excited, Bishop. A TV star  
in Rochester? Unbelievable! Please  
right this way to my car...

THEY WALK ON GRAVEL TOWARD THE CAR.

027 EDITH  
Did you know, Father Regan, that  
Bishop Sheen is recently back from  
the second Vatican council?
