Thriving Ministries: Congregational Vitality Training

Kindling Faith invites congregations into the joyful journey of thriving in spirit, community, and action - both within the congregation and through neighborhood connection.

Congregational teams of up to five people are invited to join this special cohort opportunity filled with:

- ✚ inspiring stories
- ✚ experienced and dynamic speakers
- ✚ useful resources
- ✚ practical support

Together, each congregation will develop and take faithful steps forward in being God's church in the world, especially suited to share our timeless faith in our current culture.

Six monthly 3-hour sessions are staffed with leaders specifically trained and experienced in congregational vitality and outreach. Congregations who register as paid participants will have access to:

- ✚ Additional activities that can be used to turn zoom gatherings into a full day retreat
- ✚ Recordings of live session and digital downloads of all resources, supplemental Bible studies and book lists
- ✚ A coach who will schedule check-ins to support your progress between units and offer contextual strategies for accountability and to increase successful growth

The first session is October 9th, so please register soon!
