Pilgrimage to Iona and the Heart of Scotland

A pilgrimage to Scotland and the holy isle of Iona offers deep spiritual benefits rooted in history, beauty, and sacred presence. Iona, long regarded as a “thin place” where the veil between heaven and earth feels especially near, invites pilgrims into stillness, prayer, and renewal. Walking in the footsteps of St. Columba and countless seekers who came before fosters a sense of continuity with the communion of saints, while the rugged landscape and rhythmic sea encourage awe, humility, and dependence on God. Such a journey becomes not only an outward exploration but also an inward path toward healing, clarity, and a deeper awareness of God’s abiding presence.

Package Includes: round-trip airfare, accommodations in double occupancy hotels/guest houses, breakfast and dinner daily, nine days sightseeing in a modern, air-conditioned private bus, professional tour guide. All arrangements rrangements by Good Shepherd Travel.

Tour Leaders

**Sister Marianne Brock, ELCA
Deacon**

**Pastor Ralph Patrick, Associate
Member of Iona Community**

**Amy Brokus, Assistant Director
of Kindling Faith at United
Lutheran Seminary**
