## SIGNATURE DRINK

Giacomo Casanova, an iconic figure of the 18th century, known as much for his writings as for his adventures across Europe, stayed in Hotel Adler during his visit to Switzerland in 1760.

He inspires us to create a cocktail representing the waves of the lake, the green of Vully, and the warm tones of the old town.

## SIGNATURE DRINK

This cocktail pays tribute to our town, capturing the essence of the sun gently setting over Lake Morat, offering a breathtaking and unforgettable spectacle. Its name perfectly reflects the Moratois way of life: "La Vie en Rosa".

# SIGNATURE DRINK

Inspired by Murten's autumn mist.

Where the crisp freshness of fruit meets the  
gentle warmth of cinnamon. A fleeting  
harmony of fog and flavor, delicate as dawn  
over the lake.
