Design Versatility

Available in solid or two-tone poly, Ricochet stools offer vibrant and fully customizable options. The option to match or contrast base and column colors support creative vision.

Focus Driven

Designed to encourage natural movement, Ricochet features a convex base that provides a controlled 12-degree wobble. This active seating experience helps support focus and engagement while remaining stable on a variety of flooring surfaces.

Lightweight and Adaptable

Featuring a lightweight design and waterfall seat, Ricochet is easy to move and stack up to three units high. Available in multiple heights, it easily adapts to different users and spaces.
