Designed for Comfort

Intellect Wave offers a contoured seat and passive back flex to support comfort for all learners. An adaptive seat shape accommodates a variety of sitting positions, giving learners the freedom to move and engage in ways that feel most natural.

Built to Last

Engineered for demanding learning environments, Intellect Wave combines durable materials with thoughtful construction to withstand daily use. Its resilient frame and long-lasting design support years of reliable performance.

Moves with Learning

Mobile and stackable options make it easy to support collaboration, independent learning, and quick transitions throughout the day.
