Designed for Movement

Doni's contoured shell and ergonomic design encourage natural movement throughout the day, helping users stay comfortable and engaged across a variety of activities.

Flexible by Design

Available in multiple base styles and configurations, Doni easily adapts to classrooms, cafés, commons, and collaborative environments while maintaining a cohesive aesthetic throughout a space.

Expressive Customization

With extensive color, finish, and upholstery options, Doni offers the flexibility to create a look that complements your space while reinforcing brand or school identity.
