

| Monday                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Tuesday                                                                                                                                                                                                                               | Wednesday                                                                                                                                                                                                                                    | Thursday                                                                                                                                                                                                                         | Friday                                                                                                                                                                                                                                      | Saturday                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | Sunday |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|
| <b>YOUR PATH TO IMPACT</b><br> Go and be His hands<br> On your knees you're an agent of transformation<br> Building the Kingdom of God<br> office@reachbeyond.nz   www.reachbeyond.nz |                                                                                                                                                                                                                                       | <b>1</b> Janice would be grateful for prayer as she tries to develop a lot of new training materials in time for a manager's workshop in Indonesia at the end of this month. Pray that the Holy Spirit would guide her through this process. | <b>2</b> Please pray that Margaret's quiet witness to one particular acquaintance will cause her to be inquisitive about what makes Margaret the person she is. May the Lord open her eyes and heart to His gospel.              | <b>3</b> Alex praises God for the Hospital Vozandes construction project which is near completion. Praise Him for the workers who have come to Christ. Work will begin remodelling the oldest part of the hospital.                         | <b>4&amp;5</b> PRAYER FOR UNREACHED PEOPLE GROUPS   Yerwa Kanuri   Country: Nigeria   Population: 8,281,000   Language: Yerwa Kanuri   Main Religion: Islam   Evangelical: 1.00%<br><br>The Kanuri became Muslims in the 11th century, but still practice some folk beliefs, including wearing amulets or charms for various reasons. Pray for the missionaries and missions agencies seeking to reach the Kanuri. Pray that God would raise up strong and vibrant churches among the Kanuri that would reflect His heart.       |        |
| <b>6</b> Bob asks that we intercede with our heavenly Father for our App development team as they update the SuperBible and Heroes of History Apps. Pray that God will use this platform to impact lives through these Biblical testimonies.                                                                                                                                                                                                                                                                          | <b>7</b> Praise God for the growing ministry of two RB UK doctors serving unreached people in Central Asia, and for the many people they have already treated. Pray for wisdom as they connect with health centres in the region.     | <b>8</b> Join Dave in praising God for His faithfulness and His hand upon the ministry being undertaken by the NZ office. His goodness is evident day by day and we celebrate His incredible love for each of us.                            | <b>9</b> Pray for RB Australia's CEO, Dale Stagg, as he leads Reach Beyond Australia. Ask God for wisdom, good health, God's guidance in decision-making as he navigates many ministry opportunities, and safety in his travels. | <b>10</b> Let us join with RB Australia in praying for the listeners of the Chhattisgarhi programs. This language is spoken by approx. 15 million people in the Indian state of Chhattisgarh and also throughout many other parts of India. | <b>11&amp;12</b> PRAYER FOR UNREACHED PEOPLE GROUPS   Bakhtiari   Country: Iran   Population: 1,325,000   Language: Bakhtiari   Main Religion: Islam   Evangelical: 0.20%<br><br>There are many obstacles to sharing Good News with the Bakhtiari. Pray that God would lead them to discover Scripture and biblical materials that will present the truth of the Gospel to them. Pray that the few Bakhtiari believers would grow strong in their faith, and that God would remove barriers for them to tell others about Jesus. |        |
| <b>13</b> Please join Russell in praying that God will provide the financial resources that the NZ office needs to fund the 8 poles in Ghana. Pray that as we use what we have, God will give the increase.                                                                                                                                                                                                                                                                                                           | <b>14</b> RB Australia asks that we pray for their weekly Oriya broadcasts which are impacting people in the Indian state of Odisha and adjoining regions. Oriya is the primary language of 34 million people from 192 people groups. | <b>15</b> Pray that more people would obey the calling to ministry. Pray that the different roles throughout Reach Beyond globally would be filled with people who carry Christ's heart to share the gospel with the unreached.              | <b>16</b> Pray for Janice as she travels to Indonesia for an intensive, new-format training for new station managers. Pray that their ministries would be strengthened and that the station managers would be encouraged.        | <b>17</b> Pray for Bob and Josh as they head to Ghana to begin installation of 8 new mission poles. Pray for their safety, health and opportunities to witness to the villagers. Pray for an awakening to the Gospel in each village.       | <b>18&amp;19</b> PRAYER FOR UNREACHED PEOPLE GROUPS   Bugis   Country: Indonesia   Population: 5,919,000   Language: Bugis   Main Religion: Islam   Evangelical: 0.06%<br><br>The majority of Bugis are fervent Sunni Islam followers, yet many retain their traditional beliefs. The Bugis place a very high value on honour. Pray for God to reveal the grace and forgiveness that He offers through Jesus. Pray that God would open doors for believers to share the hope and freedom they've found in Jesus.                 |        |

| Monday                                                                                                                                                                                                                                                       | Tuesday                                                                                                                                                                                                                                                      | Wednesday                                                                                                                                                                                                                                                           | Thursday                                                                                                                                                                                                                                                                   | Friday                                                                                                                                                                                                                                                                              | Saturday                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   | Sunday |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------|
| <p><b>20</b> Praise God with <b>Russell</b> for His wonderful story of salvation and that we have the privilege of telling this story, here in NZ and around the world through media, healthcare and community development.</p>                              | <p><b>21</b> Join <b>Bob</b> in praying for those who are presently translating the comics into 3 of the Bhutanese languages. Pray that these comics would bring light to a multitude in darkness, and that the hope held out to them would be embraced.</p> | <p><b>22</b> Pray for <b>Alex</b> and <b>Lynette</b> this month as they balance ministry opportunities in Ecuador and preparing for their three-month home assignment in NZ starting 1st November. Pray that this would be a rich time with family and friends.</p> | <p><b>23</b> The Indonesian managers' training starts today. Ask for clear understanding and God's blessing on everything <b>Janice</b> and <b>the team</b> teach, to help stations become more sustainable. Pray for new open doors of blessing for these ministries.</p> | <p><b>24</b> Pray for <b>Russell</b> as he meets with <b>Alex Walker</b> (South Africa Regional Director) to talk about the mission poles project and the potential for scaling the project to include other African nations. Pray for the Lord's guidance through the process.</p> | <p><b>25&amp;26</b> PRAYER FOR UNREACHED PEOPLE GROUPS   <b>Bengali Muslim</b>   <b>Country:</b> Bangladesh   <b>Population:</b> 135,750,000   <b>Language:</b> Bengali   <b>Main Religion:</b> Islam   <b>Evangelical:</b> 0.1%</p> <p>The Bengali Muslims are the largest ethnic group in Bangladesh. Most Bengali follow Sunni Islam. Sufi traditions also play a significant role, with many visiting shrines and participating in festivals. Pray for a spiritual awakening among Bengali Muslims, that they may seek and encounter Jesus Christ.</p> |        |
| <p><b>27</b> <b>Bob</b> asks that we lift up in prayer the new villages in the Volta region that are now hearing the Scriptures and Gospel daily through the mission poles. Pray that they will put into practice the Word of God that they are hearing.</p> | <p><b>28</b> Join <b>RB US</b> in praising God, that our Balkan media team has been contracted by In Touch Ministries to translate and produce a seventh season of television programs of Dr. Charles Stanley's messages.</p>                                | <p><b>29</b> Pray for physical safety for <b>Josh, Bob, Alfred</b> and <b>Russell</b> as they travel to the Eastern region to erect 4 more mission poles. Pray that these poles will see many saved and grow in their faith in Christ.</p>                          | <p><b>30</b> Join <b>Janice</b> in praising God for His faithfulness during the Indonesian managers' course which finishes today with communion and prayer. Pray that each manager will have opportunities to practice the learning received.</p>                          | <p><b>31</b> Pray for <b>David, Janice</b> and <b>Nitha</b> as they travel from Indonesia to Thailand for a further station managers' conference. Pray for God's strength for each of them, and that His hand would be on all the details.</p>                                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |        |
