EXECUTIVE SUMMARY

3662 Keystone Ave is a 9 unit apartment building built in 1961 and is located in the highly desirable Palms submarket of Los Angeles, walking distance to Culver City, which is become a major tech hub drawing the attention of major tech companies.

The James Group is pleased to present a 9 unit offering in one of the best Palms locations at 3662 Keystone Ave, just a short walk to the new developments along Overland Blvd and short distance to downtown Culver City. The offering consists of (6) 1 Bed, 1 Bath, (1) 2 Bed, 2 Bath, (1) 2 Bed, 1.5 Bath, and (1) Studio, 1 Bath units that are spread out over 7,512 square feet, which offers spacious unit layouts. The property was built in 1961 and sits on a 7,500 square foot lot that is zoned LAR3. The investment offering provides an excellent value-add opportunity for future investors with rents approximately 30% below market, in one of the best rental pockets of LA's Westside. The building offers 10 parking spaces and on-site laundry for tenants. With it's excellent unit mix and future upside potential, an investor is poised to take advantage of a generational real estate asset in a prime location that has experienced tremendous growth and development.

The Palms market has continued to prove to be one of the best rental pockets in all of Los Angeles. With continued rent growth and low vacancy rates, renters continue to seek out opportunities in the immediate area surrounding the subject property. With Culver City directly to the south, Venice directly west, and high end neighborhoods just to the north, Palms is strategically located and will continue to see massive growth. Area amenities include high end restaurants, bars and nightlife along with shopping and a robust office market making it a perennial economic hub in Southern California. With tech companies like Amazon, Youtube and TikTok, the location and rental upside make this an opportunity to own a generational asset in one of LA's best neighborhoods.

INVESTMENT HIGHLIGHTS

LOCATION OVERVIEW

PALMS

The community of Palms is located in the city of Los Angeles and is bordered by Culver City to the southeast, Cheviot Hills and Beverlywood to the north, Mid-City to the East, and Mar Vista to the west, with immediate access to the San Diego (I-405) Freeway and Santa Monica (I-10) Freeway, and only approximately five miles from the UCLA campus. Technically the oldest neighborhood in Los Angeles, Palms, originally called 'The' Palms has become a target location for young professionals, families, and renters looking to capitalize on one of the most amenitized neighborhoods in all of Los Angeles. With high profile tech companies like Amazon and TikTok, and the recent developments of the Platform and The Culver Steps, Palms has become a go-to destination for renters looking to work close to premium housing options.
