

Joining a club on your campus can be a great way to get involved during your time as a student. You'll be able to develop your interests outside of the classroom, meet new friends and maybe even learn something new!

Search for clubs by campus or interest below. If you see a club listed on a different campus that you'd like to start on yours, reach out to your Student Activities office to get started. You may also get involved in your campus' student government.

NAMI On Campus (National Alliance on Mental Illness)

NAMI On Campus chapters are student-led clubs that tackle mental health issues by raising mental health awareness, educating the campus community, promoting existing services, and advocating for more mental health support on campus and beyond. Chapters are affiliated with the National Alliance on Mental Illness, the largest grassroots mental health organization in the United States. Any student with an interest in supporting mental health and wellness and who wants to help fight the stigma is encouraged to join.

Newman Society/Catholic Club

The Newman Society is the Catholic Club at CT State Manchester. We offer students opportunities for fellowship, spiritual development, and community service. Our club is open to students who identify themselves as practicing Catholics and to those who are baptized Catholics but have grown away from the faith, as well as to anyone who wants to learn about the Catholic faith or participate in our programs, which reflect Church teaching and values. Besides representing our club at Student Government Association events, we also conduct an

annual sock drive for the homeless, coordinate a holiday card drive for local nursing home residents, host an annual dinner with speaker, and meet for fellowship and prayer. Recently, our club has participated in national Synod listening sessions on campus ministries.

Student Occupational Therapy Association (SOTA)

The Student Occupational Therapy Assistant Association (SOTA), serves as a forum for discussion of relevant professional issues, assisting Occupational Therapy Assistant students in their educational pursuits. In addition to promoting the Occupational Therapy profession to the public and college community, SOTA provides experiences for OTA students to demonstrate leadership; engage in service projects in the community; and represent the field through an organized, student-led process. The Association's activities include advocacy, community engagement, team-building activities, and fund-raising endeavors.

VETS (Veterans Empowering Themselves to Succeed) Club

The VETS Club at CT State Manchester brings together students with prior or current military service as well as students who want to support veterans. Through the OASIS services, we help veterans enroll in classes, obtain tutoring or other educational aid, apply for financial aid and veterans' benefits, and smooth separation from the service and the return to school. We also serve as a liaison between our veterans and veterans' communities and organizations outside of CT State Manchester. The VETS Club plans activities and programs which contribute to the understanding and appreciation of the military by campus students and the local community. Activities and programming are determined by members at our club meetings.
