DIRECT ENTRY TO SECOND OR THIRD YEAR

This is an Undergraduate Honours Degree programme at The Glasgow School of Art comprising four years of study. Most applicants apply to start in Year 1. If you have completed, or are studying a relevant higher education qualification, you can apply to start in 2nd or 3rd year. This is known as 'Direct Entry'. Accepted qualifications include a foundation diploma in art and design, an HNC or HND or a year or more of university study. The year you apply to depends on the level of the qualifications you already have, or what you're currently studying. You must be able to satisfy us that you have undertaken a period of study equivalent to the first, or first and second year, of the degree programme. You can find more information on our website here.

Important: If you are applying for direct entry to second or third year, we will consider your application from your highest desired entry point and work backwards from there. That means that you do not need to put in an application for each potential year of entry - if you apply for Year 2 direct entry and we feel you do not meet the requirements for direct entry we will automatically consider you for Year 1 entry instead.

ENGLISH LANGUAGE REQUIREMENT

We expect all students to demonstrate proficiency in the English language, which for UK students is normally evidenced by a pass in Higher or GCSE English or other literate subject*.

Applicants who require a Student Visa, and who are not a national of, nor have obtained a degree in one of the countries on the approved UKVI exemption list, will need to provide evidence of their English language ability through the use of a standardised test.

The GSA's preferred test is the IELTS for UKVI (Academic) test. A full list of English Language tests that may be presented can be
found here.

Applicants who successfully enrol and complete GSA's Pre-Sessional English for Creative Disciplines programme can also use those test results to satisfy English language conditions.

Our current requirement for School of Design programmes is IELTS for UKVI (Academic) with 6.0 overall and no less than 5.5 in each component.

COST OF STUDY

FEES, FINANCE & HELP

The annual cost of your study will depend on a range of factors including your tuition fee status, programme of study, accommodation arrangements and lifestyle. We understand, however, that for your effective planning it is really important that you have a good idea of how much studying at art school is likely to cost, and what kinds of costs you are likely to incur over and above tuition fees.

You'll find information on costs associated with your chosen programme (called 'Indicative Programme Costs') on each programme page on the website.

TUITION FEES

Your annual tuition fee will depend on whether you are a Scottish student, Rest of the UK student or international student, as well as the subject (programme) and level (undergraduate/postgraduate) of study.

You can find current information on Fees and Finance pages on the GSA website **here.**

HOW WE ASSESS YOUR APPLICATION

ASSESSMENT

Admissions staff access your UCAS Application Form, Digital Portfolio, and Portfolio Statement all together.

Your application will be numerically scored against your chosen programme's specific assessment criteria (see OUR CRITERIA). The scoring is between 1-7 (7 being 'excellent evidence of' and 1 being 'unsatisfactory evidence of').

On the basis of your application score, you will either be:

Unsuccessful
- This decision will be processed as a '**Rejection**' via UCAS

or

Offered an Interview
- You may be invited to an interview by email (see **Interview**)

or

Offered a place (without interview)

- Your offer may be 'Conditional' or 'Unconditional'

OUR CRITERIA

We recommend that you consider the assessment criteria when creating your digital portfolio, portfolio statement, and preparing for interview.

It's important that applicants understand, that it's not about having access to the best art and design materials to create work; it's about doing your best with what you have.

SEE FOLLOWING PAGES FOR CRITERIA.

SCHOOL OF DESIGN
THE GLASGOW SCHOOL OF ART

STAGE ONE: CRITERIA DIGITAL PORTFOLIO & PORTFOLIO STATEMENT

DIGITAL PORTFOLIO AND PORTFOLIO STATEMENT

1 Ability to apply practical skills

– We want to see your practical skills and how you explore and use different media and materials. You can demonstrate this in various ways in your portfolio, including drawing, painting, model making, photography, computer-aided drawing and creative coding. You could group several images on a slide; this could be by photographing several pieces of work together or by photographing or scanning several pieces individually and using Photoshop, Canva or PowerPoint to combine them into one slide.

2 Ability to show development of your work and ideas

– We are interested in the ideas behind your work and how your work develops from the initial starting point to a finished piece of work. We would like to see your exploration and experimentation with different materials and media in your Digital Portfolio. This can be evidenced by images or photographs of sketchbook pages, notebooks, worksheets, development sheets and finished pieces. Your digital portfolio should focus on your own work. Try to avoid using other people's work (for example, printouts, photocopies from books), unless these examples are relevant to the content. If including work by other people, you should cite their names.

3 Ability to reflect on the work in your Digital Portfolio

– Use your portfolio statement to tell us about the work in your portfolio. We want to know what inspired you, how your ideas developed and the elements you consider to be the most successful or interesting.

4 Ability to demonstrate an interest in the subject area

– We want to know why you want to apply to the programme. What do you find exciting about the subject area?

SCHOOL OF DESIGN
THE GLASGOW SCHOOL OF ART

STAGE TWO: INTERVIEW

INTERVIEW

If shortlisted, you may receive an e-mail inviting you to attend an interview. Interviews are held via Teams. They usually last 20-30 minutes or so.

This is a chance for staff from the programme to meet you, hear you talk about the work in your portfolio and find out more about your readiness for the programme. It is also a chance for you to get a clearer sense of the programme, find out about the facilities available and ask any questions that you may have.

Staff will score your interview using our interview assessment criteria below. The outcome of your interview will be communicated to you via UCAS.

If you are invited to interview (see **Interview**) the following criteria apply:

1 Ability to apply practical skills

– Practical skills are important for creative subjects. We will use the Stage 1 evaluation for this as part of the Stage 2 assessment.

2 Ability to discuss your ideas and development of your work

– We want to find out more about the ideas and development of the work in your portfolio. We are interested to know about initial inspiration and starting points, how your ideas evolved and how you explored and developed your work.

3 Ability to reflect on your work; challenges, successes and potential

– At interview, we will discuss the journey of your work. What did you learn and what areas did you find to be the most successful or challenging and what you might do next? For work-in-progress you could describe what you hope to achieve, what sources you will be looking at, and how you hope to explore these.

4 Ability to demonstrate your interest and knowledge of the subject area

– We want you to demonstrate your interest and knowledge in your chosen subject area, who or what inspires and motivates you, your personal and individual interests. This might include artists, designers, architects, mentors, exhibitions, online events, documentaries, books, journals, archives or podcasts.

5 Ability to demonstrate an understanding of the programme applied for

– You should demonstrate that you have researched your chosen programme, discuss why you have chosen to apply to this programme, communicate why you consider the programme is the appropriate one for you and why specifically at The Glasgow School of Art.
