TOBY AND ITZHAK PERLMAN

When we were growing up Bobby Mann inspired us. Everyone at school wanted to be like Bobby, to know as much as Bobby knew, and we wanted to play like Bobby because there was simply nothing like it; not then, not now.

As young parents Itzhak and I wanted to parent like Bobby and Lucy, they were our model—for parenting and so much else. Bobby and Lucy continue to inspire us. They are unique and we are lucky to have them as friends, they are an integral part of our lives.

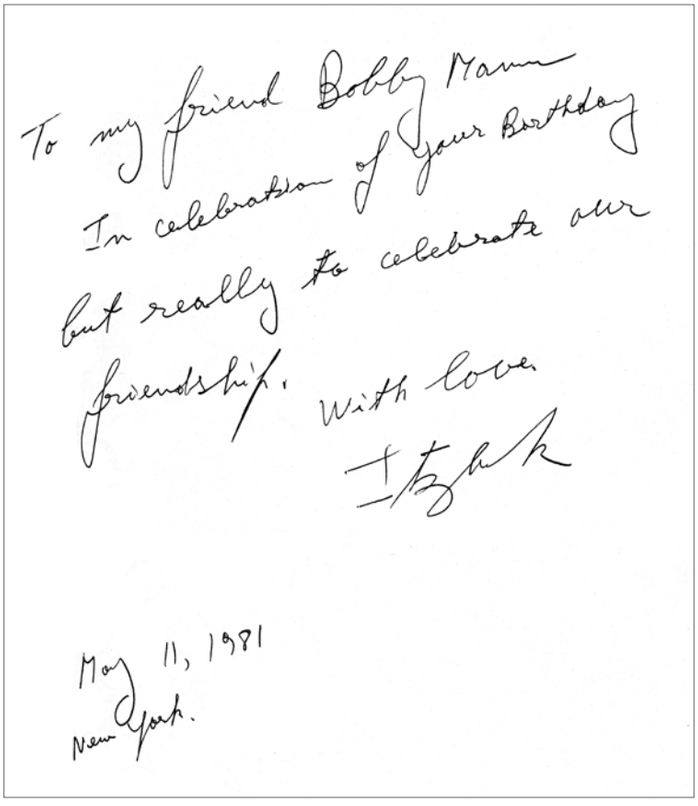

We love you,
