- ~~XI. School Finance~~
- ~~XII. Executive Session~~
- XIII. Board Comments. **Member Atchak commented about an incident that happened earlier at the beginning of the month. Before the school year starts, we should have that policy of complaints put up, for people who want to make complaints. We as the board cannot do the job duties of the Admin. Also that there will be no retaliation or firing of the person. It helps us to know that there was a complaint, if they didn't make a complaint then we would have never known about it. It's a process and I want to follow it, instead of trying to have the board member handle it. The best way is to go through the procedure. And at the beginning of the school year, staff should go through that policy to go through the procedure of making a complaint, and not go through the school board.”**
Superintendent Campbell said “that it is one of the main policies we will go over during inservice.”

Kashunamiut School District
Chevak High School
985 KSD Way
Chevak, AK 99563

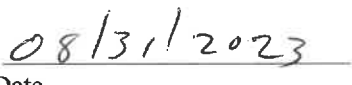

Member Atchak “suggested that the new hires should get a village member as a mentor and help with transition on living here.”

Member Atchak also “wondered if we will have subsistence exchange with Saint Marys, let the kids see how we live and hunt from a different village. They’ll have a more lasting experience with that. Before sea week comes around, that should be something to look at.”

Member Slats brought up “that we would need a budget revision, that we would need to have a Work Session, then go into a Special meeting.”

Superintendent Campbell said “that Lucienne is on vacation right now and when she returns on the 28th I will be in contact with her.”

XIV. Adjournment. Member Tuluk motion to adjourn; Member Nash second the motion. All Members approve with 5 ayes and 0 nays. Motion approved at 7:25 pm.

Brief Summary of In-Service Training for Staff

August 7-12, 2023

Monday, August 7

Board Members Greg and John welcomed the staff to the new school year, which was excellent and well-received by the staff.

Superintendent Jeanne Campbell then led us through the Staff Handbook and expectations as a vital member of staff. We also learned about work orders, the responsibilities of living in teacher housing, signing out vehicles during the week, and the contract hours for employees.

In the afternoon, we discussed Professional Teaching Practices for all staff, including being mandatory reporters of suspected child abuse or sexual harassment.

Daily we enjoyed breakfast and lunch together as a staff, which allowed us to get to know others on the team this year.

During the in-service training, if there were any spare moments, Certified and Classified Staff prepared their rooms for students on Monday, August 14.

Tuesday, August 8

The staff went to tailored trainings designed to assist them this school year. The majority of the Certified Staff learned about the Alaska Career Information System with Julia Renfro. AKCIS will be a major theme this year for grades 6-12, helping students understand their strengths and interests leading to a career.

Lillian and Beau led the Classified Staff in preparing to take the Para Pro Praxis test, which is a requirement for fourteen of the current staff.

Kindergarten through fifth grade staff, along with the Reading Specialists, was trained in mClass and Dibels 8, which are the assessments required by the new Alaska Reads Act.

These trainings were all day, with any spare time being utilized to prepare rooms for the first day of school.

Wednesday, August 9

Jesse Carnahan, Ryan Miller, Sam Ulroan and Coca Ayuluk helped prepare technology for the upcoming school year. Additionally, Jesse led training sessions for the staff in how to use the Promethean Boards as well as Apple Classroom (elementary) and Google Classroom (high school).

Classified Staff went through required training from DEED with Michelle. Any classified staff who had free time either helped teachers prepare their rooms or took practice tests for the Para Pro Test, which Lillian and Beau are working hard to facilitate early in the school year.

In the afternoon, a representative from Public Education Health Trust presented about our insurance plan.

Thursday, August 10

Heather Coralluzo, our new counselor, presented "The 7 Mindsets," which will provide the structure for our Social-Emotional Learning this year. Certified and Classified Staff then prepared their rooms for the coming school year.

In the afternoon, Gail Greenhalgh, Ashly Thornburg and Tom Simpkins met with the Certified and Classified Staff to discuss Special Education items (reporting, meeting the Individualized Education Plan for each student, etc.).

Friday, August 11

Molly McCormick led the Classified and Certified Staff in understanding data more clearly with interactive training in the morning. In the afternoon, all staff worked diligently to prepare for the coming year. We also invested some time preparing for Sea Week.

Saturday, August 12

Certified and Classified Staff were given the option of working in their rooms or going out for a boat ride/berry picking. Approximately 25 staff and their families chose to go on the boat, which was a great decision. Elder Tony Short taught us about the history of Kashunamiut and the old Chevak village site.

Thank you for your support as we strive to make this the best year Chevak School has ever experienced!

Report to the School Board

Lillian Olson
Resource Director

Waqaa School Board-ani! Ak'a nutaraq al'rakuq skuulallerkaat tekitaput! First of all, thank you for upgrading my contract for the 2023-24 school year. I started working on July 31, 2023 and I am happy to be working with and in the same building as KSD's Administrative Team, including Antonia, Stella, and Michelle. I look forward to a great school year.

On 8/8/23, Beau Abernathy, Michelle and I met with the school's paraprofessionals to give them a workshop on the ParaPro Testing. About half of them did not need to take this, as they grandfathered in from the HELP Test and/or have college credits or have an Associate Degree. The teacher aides took at least two practice tests during the session. We left them website addresses for them to continue the practice tests on their own while the District goes through the process of becoming a test site. The rest of the week days, I attended the inservice with the rest of the staff at the school.

I also worked on the FY24 EL Plan of Service and will be upgrading the whole process of the District's method of identifying ELLs (English Language Learners). This will include updating the following: Home Language Survey; Verify Definition; Screen Method; Eligibility Scores; and Documentation (identification, letters to parents, Home Language Surveys etc.)

Mr. Abernathy and I are also attending the Migrant Recruiter and Records Manager the week of 8/14/23 and will register two recruiters, most likely from the school's substitute list, for the migrant program for our school district.

I've also set up the schedule for MAP Testing for the week of September 11 – 15, 2023 and the following week for pull-outs for students that miss their grade level tests. I am working with Monica Slat and Sam Ulroan to prepare for the test days. Thank you to Principal Falon for accommodating the changes and test dates for MAP testing. I have provided teachers and aides, three different ways that they can have their students take the Practice Tests.

I also am making myself available to help monitor traffic in the mornings at the school and will do this year-round.

This Price Quote is subject to the Customer Terms & Conditions of Amplify Education, Inc. attached and available at amplify.com/customer-terms. Issuance of a purchase order or payment pursuant to this Price Quote, or usage of the products specified herein, shall be deemed acceptance of such Terms & Conditions.

Terms & Conditions

1. **Scope.** These Terms and Conditions (the "Customer Terms") are a legal agreement between Amplify Education, Inc. ("Amplify") and your school, district, state agency, or other educational organization ("you" or "Customer") for the license and use of one or more of Amplify products or services (the "Products"), as specified in the receipt, price quote, proposal, renewal letter, or other ordering document containing the details of this purchase (the "Quote"). Unless otherwise specified in the Quote, these Customer Terms and the Quote constitute the entire agreement between Amplify and Customer regarding the license and use of the Products (the "Agreement"). This Agreement becomes effective at the earliest of the following: (i) issuing a purchase order, shipment request, or payment against the Quote; (ii) accessing, downloading, or using the Products; or (iii) otherwise accepting this Agreement. You represent and warrant that: (1) you are of legal age to accept this Agreement; (2) you are authorized to accept this Agreement and to access and use the Products; and (3) your use of the Products will comply at all times with Amplify's [Acceptable Use Policy](#) available at [amplify.com/acceptable-use](#) ("AUP"). If you do not agree to this Agreement, do not access, download, or use the Products.
2. **License.** Subject to the terms and conditions of the Agreement, Amplify grants to Customer a non-exclusive, non-transferable, non-sublicensable license to access and use, and permit Authorized School Users, as defined below, to access and use the Products in accordance with the AUP, for the duration specified in the Quote (the "Term"), and for the number of Authorized School Users specified in the Quote for whom Customer has paid the applicable fees to Amplify. "Authorized School User" means an individual teacher or other personnel employed by Customer, or an individual student registered or authorized for instruction with Customer, who Customer permits to access and use the Products subject to the terms and conditions of the Agreement, solely while such individual is so employed or so registered. Each Authorized School User's access and use of the Products will be subject to Amplify's AUP in addition to the terms and conditions of the Agreement. Violations of this Agreement or the AUP may result in suspension or termination of the applicable account.
3. **Restrictions.** Customer may access and use the Products solely for non-commercial instructional and administrative purposes. Guidelines for such purposes may be detailed in materials associated with the Product you are accessing. Further, Customer may not, except as expressly authorized or directed by Amplify: (a) copy, modify, translate, distribute, disclose, or create derivative works based on the contents of, sell, or otherwise exploit, the Products, or any part thereof; (b) decompile, disassemble, reverse engineer the Products, or otherwise use the Products to develop functionally similar products or services; (c) modify, alter, or delete any of the copyright, trademark, or other proprietary notices in or on the Products; (d) rent, lease, or lend the Products or use the Products for the benefit of any third party; (e) avoid, circumvent, or disable any security or digital rights management device, procedure, protocol, or mechanism in the Products; or (f) permit any Authorized User or third party to do any of the foregoing. Customer also agrees that any works created in violation of this section are derivative works, and, as such, Customer agrees to assign, and hereby assigns, all right, title, and interest in such works to Amplify. The Products and derivatives thereof may be subject to export control laws, restrictions, regulations, and orders of the U.S. and other jurisdictions (together, "Export Laws"). Customer agrees to comply with all applicable Export Laws, and will not, and will not permit Authorized School Users to, export, or transfer for the purpose of re-export, any Product to any prohibited or embargoed country in violation of any U.S. export law or regulation. Further, Customer represents that it is not a party subject to sanctions by the U.S. Office of Foreign Assets Control or included on any restricted party list maintained by the U.S. Bureau of Industry and Security. The software and associated documentation portions of the Products are "commercial items" (as defined at 48 CFR 2.101), comprising "commercial computer software" and "commercial computer software documentation," as those terms are used in 48 CFR 12.212. Accordingly, if Customer is the U.S. Government or its contractor, Customer will receive only those rights set forth in this Agreement in accordance with 48 CFR 227.7201-227.7204 (for Department of Defense and their contractors) or 48 CFR 12.212 (for other U.S. Government licensees and their contractors).
4. **Reservation of Rights.** SUBSCRIPTION PRODUCTS ARE LICENSED, NOT SOLD. Subject to the limited rights expressly granted hereunder, all rights, title, and interest in and to all Products, including all related IP Rights, are and will remain the sole and exclusive property of Amplify or its third-party licensors. "IP Rights" means, collectively, rights under patent, trademark, copyright, and trade secret laws, and any other intellectual property or proprietary rights recognized in any country or jurisdiction worldwide. Customer must promptly notify Amplify of any violation of Amplify's IP Rights in the Products, and will reasonably assist Amplify as necessary to remedy any such violation. Amplify Products are protected by patents (see [amplify.com/virtual-patent-marking](#)).
5. **Payments.** In consideration of the Products, Customer will pay to Amplify (or other party designated on the Quote) the fees specified in the Quote in full within 30 days of the date of invoice, except as otherwise agreed by the parties or for those amounts that are subject to a good faith dispute of which Customer has notified Amplify in writing. Customer will be responsible for all state or local sales, use or gross receipts taxes, and federal excise taxes unless Customer provides a then-current tax exemption certificate in advance of the delivery, license, or performance of any Product, as applicable.

6. Shipments. Unless otherwise specified on the Quote, physical Products will be shipped FOB origin in the US (Incoterms 2010 EXW outside of the US) and are deemed accepted by Customer upon receipt. Upon acceptance of such Products, orders are non-refundable, non-returnable, and non-exchangeable, except in the case of defective or missing materials reported to Amplify by Customer within 60 days of receipt. In such case, Customer may not return Products without Amplify's written authorization.

7. Account Information. For subscription Products, the authentication of Authorized School Users is based in part upon information supplied by Customer or Authorized School Users, as applicable. Customer will and will cause its Authorized School Users to (a) provide accurate information to Amplify or a third-party service as applicable, and promptly report any changes to such information, (b) not share login credentials or otherwise allow others to use their account, (c) maintain the confidentiality and security of their account information, and (d) use the Products solely via such authorized accounts. Customer agrees to notify Amplify immediately of any unauthorized use of its or its Authorized School Users' accounts or related authentication information. Amplify will not be responsible for any losses arising out of the unauthorized use of accounts created by or for Customer and its Authorized School Users.

8. Confidentiality. Customer acknowledges that, in connection with this Agreement, Amplify has provided or will provide to Customer and its Authorized School Users certain sensitive or proprietary information, including software, source code, assessment instruments, research, designs, methods, processes, customer lists, training materials, product documentation, know-how, or trade secrets, in whatever form ("Confidential Information"). Customer agrees (a) not to use Confidential Information for any purpose other than use of the Products in accordance with this Agreement and (b) to take all steps reasonably necessary to maintain and protect the Confidential Information of Amplify in strict confidence. Confidential Information shall not include information that, as evidenced by Customer's contemporaneous written records: (i) is or becomes publicly available through no fault of Customer; (ii) is rightfully known to Customer prior to the time of its disclosure; (iii) has been independently developed by Customer without any use of the Confidential Information; or (iv) is subsequently learned from a third party not under any confidentiality obligation.

9. Student Data. The parties acknowledge and agree that in the course of providing the Products to the Customer, Amplify may collect, receive, or generate information that directly relates to an identifiable current or former student of Customer ("Student Data"). Student Data may include personal information from a student's "educational records," as defined by the Family Educational Rights and Privacy Act of 1974 ("FERPA"). Student Data is owned and controlled by the Customer and Amplify receives Student Data as a "school official" under Section 99.31 of FERPA for the purpose of providing the Products hereunder. Individually and collectively, Amplify and Customer agree to uphold our obligations, as applicable, under FERPA, the Children's Online Privacy Protection Act ("COPPA"), the Protection of Pupil Rights Amendment ("PPRA"), and applicable state laws relating to student data privacy. Amplify's [Privacy Policy](#) at [amplify.com/customer-privacy](#) ("Privacy Policy") will govern collection, use, and disclosure of Student Data collected or stored on behalf of Customer under this Agreement. Customer is responsible for providing notice and obtaining appropriate consents under applicable laws to authorize Authorized School Users' use of the Products, including making a copy of the [Privacy Policy](#) available to the parents or guardians of users who are under the age of 13. In addition, Amplify has entered into the Data Privacy Agreements listed at [amplify.com/privacy-security](#) aligned with state and national templates to facilitate compliance with applicable state laws and help expedite Customer's student data privacy documentation process.

10. Customer Materials and Requirements. Customer represents, warrants, and covenants that it has all the necessary rights, including consents and IP Rights, in connection with any data, information, content, and other materials provided to or collected by Amplify on behalf of Customer or its Authorized School Users using the Products or otherwise in connection with this Agreement ("Customer Materials"), and that Amplify has the right to use such Customer Materials as contemplated hereunder or for any other purposes required by Customer. Customer is solely responsible for the accuracy, integrity, completeness, quality, legality, and safety of such Customer Materials. Customer is responsible for meeting hardware, software, telecommunications, and other requirements listed at [amplify.com/customer-requirements](#).

11. Warranty Disclaimer. PRODUCTS ARE PROVIDED "AS IS" AND WITHOUT WARRANTY OF ANY KIND BY AMPLIFY. AMPLIFY EXPRESSLY DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY AS TO TITLE, NON-INFRINGEMENT, MERCHANTABILITY, OR FITNESS FOR A PARTICULAR PURPOSE OR USE. CUSTOMER ASSUMES RESPONSIBILITY FOR SELECTING THE PRODUCTS TO ACHIEVE CUSTOMER'S INTENDED RESULTS AND FOR THE ACCESS AND USE OF THE PRODUCTS, INCLUDING THE RESULTS OBTAINED FROM THE PRODUCTS. WITHOUT LIMITING THE FOREGOING, AMPLIFY MAKES NO WARRANTY THAT THE PRODUCTS WILL BE ERROR-FREE OR FREE FROM INTERRUPTIONS OR OTHER FAILURES OR WILL MEET CUSTOMER'S REQUIREMENTS. AMPLIFY IS NEITHER RESPONSIBLE NOR LIABLE FOR ANY THIRD-PARTY CONTENT OR SOFTWARE INCLUDED IN PRODUCTS, INCLUDING THE ACCURACY, INTEGRITY, COMPLETENESS, QUALITY, LEGALITY, USEFULNESS, OR SAFETY OF, OR IP RIGHTS RELATING TO, SUCH THIRD-PARTY CONTENT AND SOFTWARE. ANY ACCESS TO OR USE OF SUCH THIRD-PARTY CONTENT AND SOFTWARE MAY BE SUBJECT TO THE TERMS AND CONDITIONS AND INFORMATION COLLECTION, USAGE, AND DISCLOSURE PRACTICES OF THIRD PARTIES.

2. Limitation of Liability. IN NO EVENT WILL AMPLIFY BE LIABLE TO CUSTOMER OR TO ANY AUTHORIZED USER FOR ANY INCIDENTAL, SPECIAL, CONSEQUENTIAL, PUNITIVE, RELIANCE, OR COVER DAMAGES, DAMAGES FOR LOST PROFITS, LOST DATA OR LOST BUSINESS, OR ANY OTHER INDIRECT DAMAGES, EVEN IF AMPLIFY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. TO THE EXTENT PERMITTED BY APPLICABLE LAW, AMPLIFY'S ENTIRE LIABILITY TO CUSTOMER OR ANY AUTHORIZED USER ARISING OUT OF PERFORMANCE OR NONPERFORMANCE BY AMPLIFY OR IN ANY WAY RELATED TO THE SUBJECT MATTER OF THIS AGREEMENT, REGARDLESS OF WHETHER THE CLAIM FOR SUCH DAMAGES IS BASED IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE, MAY NOT EXCEED THE AGGREGATE OF CUSTOMER'S OR ANY AUTHORIZED USER'S DIRECT DAMAGES UP TO THE FEES PAID BY CUSTOMER TO AMPLIFY FOR THE AFFECTED PORTION OF THE PRODUCTS IN THE PRIOR 12-MONTH PERIOD. UNDER NO CIRCUMSTANCES WILL AMPLIFY BE LIABLE FOR ANY CONSEQUENCES OF ANY UNAUTHORIZED USE OF THE PRODUCTS THAT VIOLATES THIS AGREEMENT OR ANY APPLICABLE LAW OR REGULATION.

13. Term/Termination. This Agreement will be in effect for the Term and may be renewed or extended by mutual agreement of the parties. Without prejudice to any rights either party may have under this Agreement, in law, equity, or otherwise, a party will have the right to terminate this Agreement if the other party (or in the case of Amplify, an Authorized School User) materially breaches any term, provision, warranty, or representation under this Agreement and fails to correct the breach within 30 days of its receipt of written notice thereof. Upon termination, Customer will: (a) cease using the Products, (b) return, purge, or destroy (as directed by Amplify) all copies of any Products and, if so requested, certify to Amplify in writing that such surrender or destruction has occurred, (c) pay any fees due and owing hereunder, and (d) not be entitled to a refund of any fees previously paid, unless otherwise specified in the Quote. Customer will be responsible for the cost of any continued use of the Products following termination. Upon termination, Amplify will return or destroy any Student Data provided to Amplify hereunder. Notwithstanding the foregoing, nothing will require Amplify to return or destroy any data that does not include Student Data, including de-identified information or data that is derived from access to Student Data but which does not contain Student Data. Sections 3–14 will survive the termination of this Agreement.

14. Miscellaneous. This Agreement, including all addenda, attachments, and the Quote, as applicable, constitutes the entire agreement between the parties relating to the subject matter hereof. The provisions of this Agreement will supersede any conflicting terms and conditions in any Customer purchase order, other correspondence or verbal communication, and will supersede and cancel all prior agreements, written or oral, between the parties relating to the subject matter hereof. This Agreement may not be modified except in writing signed by both parties. All defined terms in this Agreement will apply to their singular and plural forms, as applicable. The word "including" means "including without limitation." This Agreement will be governed by and construed and enforced in accordance with the laws of the U.S., state of New York, without giving effect to the choice of law rules thereof. This Agreement will be binding upon and inure to the benefit of the parties and their respective successors and assigns. The parties expressly understand and agree that their relationship is that of independent contractors. Nothing in this Agreement will constitute one party as an employee, agent, joint venture partner, or servant of another. Each party is solely responsible for all of its employees and agents and its labor costs and expenses arising in connection herewith. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by Customer or any Authorized School User without the prior written consent of Amplify. If one or more of the provisions contained in this Agreement will for any reason be held to be unenforceable at law, such provisions will be construed by the appropriate judicial body to limit or reduce such provision or provisions so as to be enforceable to the maximum extent compatible with applicable law. Amplify will have no liability to Customer or to third parties for any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including acts of God or nature, fire, earthquake, flood, epidemic, pandemic, strikes, labor stoppages or slowdowns, civil disturbances or terrorism, national or regional emergencies, supply shortages or delays, action by any governmental authority, or interruptions in power, communications, satellites, the Internet, or any other network. Each party represents and warrants that it has all necessary right, power, and authority to enter into this Agreement and to comply with the obligations hereunder.

MEMORANDUM

TO: Kashunamiut School District Board of Education

THRU: Jeanne Campbell, Superintendent

FROM: Lucienne Smith, Contracted CFO *Lucienne Smith*
Alaska Education & Business Services, Inc.

SUBJECT: Finance and Business

Date: August 16, 2023

Welcome back to a new school year!

FY 2024 IMPACT AID APPLICATION REVIEW - US DOE – Office of Impact Aid completed their field review. Upon research by their staff, they verified 23 of the 38 Children with Disabilities (CWD) we claimed on ANCSA land, and verified 184 of the 238 other students on ANCSA lands. For those students we claimed on restricted land they verified 97 of the 95 students and 6 of the 7 CWD. We have until mid-September to determine if any of those they disallowed could still be eligible. Keep in mind that that State of Alaska, thru the foundation formula, reduces our Basic Need using our Impact Aid revenues.

FY 2024 BUDGET – We will need to revise our budget in December since the Governor reduced the one-time funding by half – of which we budgeted 100% of the original one-time funding.

COVID-RELATED FEDERAL FUNDING

The federal funding (passed thru the State) we have received related to COVID for FY 2023 included:

Fund 295 – ESSER II – Spent the remaining \$236,349

Fund 296 – ESSER III – Spent \$1,088,315 of the \$3,027,412 – the balance rolls into FY 2024

FY 2023 AUDIT & CLOSE-OUT– We are responding to auditors for interim items – testing of controls along with their random selections of payroll, cash disbursements, and cash receipts.

Attached are FY 2023 financial reports. They do not yet include all year-end entries. Once the year end entries are completed the Board will be provided with updated numbers. So far all is looking good.

Please do not hesitate to ask questions. Thank you !
