

Maggie Sargent & Associates

Nikki Wilcox

Registered Nurse - Emergency Department Nurse

Clients: UK and Worldwide

Specialisms:

- Accident & Emergency
- Cannulation
- Covid 19 Vaccinations
- Dementia
- Falls
- Trauma

Profile:

I am a nurse with over 20 years experience in Emergency nursing, and a certified Autonomous Nurse Practitioner with a BSc in Professional Practice in Health and Social Care.

I have huge experience in the emergency care of patients across the specialities of medicine, surgery, trauma, paediatrics and gynaecology.

I have 9 years' experience as an Emergency Department Matron managing and leading large nursing teams.

Through my senior career and the nature of Emergency Departments, there are continuous incidents, complaints, errors and disciplinaries that I have had to lead and investigate on. In doing so I ensure that I undertake a fact gathering nonbiased methodology.

Expertise

- Excellent patient assessment and rapid triage to treatment of critically ill patients
- Accessible expert to whole ED team, taking responsibility for the delivery of high-quality care
- Highly experienced across multi-disciplinary specialities
- Ensuring the continued safety and well being of patients in crowded / overwhelmed departments
- Extensive disciplinary and other HR related topics
- Professional accountability for standards of care, patient experience and the workforce.
- Workforce and resource management
- Liaison with whole hospital leadership team
- Supervise the professional development and appraisal of all nursing staff
