

Amy Keane

Advanced Practice Spinal Specialist Physiotherapist

Types of Reports Undertaken: Quantum Physiotherapy Reports

Locations covered: UK

Client Age categories: Adult

Specialisms:

- Spinal assessment
- Musculoskeletal cases

Profile:

I am an Advanced Practice Spinal Specialist Musculoskeletal Physiotherapist, qualified in 2007, with extensive experience across both NHS and private sectors.

I am an honest, reliable and approachable clinician with a strong interest in all aspects of MSK Physiotherapy. I have significant experience in report writing for case management clients involved in litigation. I am an excellent communicator, able to work autonomously, use my initiative and perform effectively under pressure, while also thriving as part of a multidisciplinary team.
