

Anabela Cabaca

Registered General Nurse: Oncology, Adult, Child

Types of Reports Undertaken: Liability Breach of Duty Reports & Screening Reports

Client Age categories: Paediatric, Adult

Specialisms:

- Oncology
- End of Life Care
- Bowel
- Cannulation
- Palliative care
- Surgical Nursing

Profile:

I am a Medical/Surgical Ward Manager with 18 years of oncology experience across outpatient and inpatient environments, combining extensive clinical expertise with strong leadership and operational management skills.

My experience includes adult oncology across day unit and inpatient ward settings, where I have led teams to deliver high-quality, evidence-based care, maintain clinical standards, and ensure safe and effective patient management.
