President's Message

I am pleased to welcome new and existing members to the 2026-27 season, let us hope that the weather prediction is right for the season and a warmer summer.

This club provides excellent facilities for our sport at the most competitive, social, and casual levels. Please share your enjoyment of bowls with family and friends to encourage new members to join our club. Hopefully we will have a warm summer without too much rain as it does cause problems getting games played on time.

Again, this season we will have Ultimate Bowls on Monday Nights for 6 weeks. Starting 16th November till 21st December. This is a great chance to introduce new members to our club, as the team of three must have 1 non-player to play the game of 2 games 5 ends approx. time 1hr 15mins with a burger & chips all for \$15.00 per person. Good prizes at the end of 6 weeks, so rally up new players to make this a great event.

We are now getting a price on a new trophy cabinet, which hopefully will be in for the start of the new season, along with the historical honours boards which are to be put back on the wall above the kitchen.

Please show respect for our Selectors, Umpires, Club Captains and the members of their respective Match Committees as they are trying to do their best for the club and unfortunately their decisions do not always suit everyone.

When you enter our club championship make sure that the games are COMPLETED on or before the dates mentioned on the draw sheets This is a great help for the match committees, and for the smooth running of all our club championships.

Please be mindful of what you are choosing to enter so not to overload yourself.

Special thanks must go to all our sponsors as they contribute greatly to the clubs financial position. Wherever possible it would be great if you could support them

My best wishes to all of you for an enjoyable and rewarding season and I wish you all good health and great fellowship.
