**Transgender Victoria Incorporated**  
**Notes to the Financial Statements**  
**For the Year ended 30 June 2022**

---

The functional and presentation currency of Transgender Victoria Incorporated is Australian dollars.

**1. Basis of Accounting**

In the opinion of the Committee of Governance, the Association is not a reporting entity since there are unlikely to exist users of the financial report who are not able to command the preparation of reports tailored so as to satisfy specifically all of their information needs. These special purpose financial statements have been prepared to meet the reporting requirements of the Associations Incorporation Reform Act 2012 and the Australian Charities and Not-for-profits Commission Act 2012. Transgender Victoria Inc. is a not-for-profit entity as required by Australian Charities and Not-for- profits Commission.

The financial statements have been prepared in accordance with the recognition and measurement requirements of the Australian Accounting Standards and Accounting Interpretations, and the disclosure requirements of AASB 101 Presentation of Financial Statements AASB 107 Statement of Cash Flows AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors, AASB 120 Accounting for Government Grants and Disclosure of Government Assistance, AASB 1048 Interpretation of Standards , AASB 1054 Australian Additional Disclosures and AASB 1058.

The financial statements have been prepared on an accruals basis and are based on historical costs modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Significant accounting policies adopted in the preparation of these financial statements are presented below and are consistent with prior reporting periods unless otherwise stated.

**2. Summary of Significant Accounting Policies**

**(a) Cash and Cash Equivalents**

Cash and cash equivalents comprise cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Bank overdrafts also form part of cash equivalents and presented within current liabilities on the balance sheet.

**(b) Provisions**

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

**(c) Employee Benefits**

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled. Employee benefits expected to be settled more than twelve months after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits.

**Transgender Victoria Incorporated**  
**Notes to the Financial Statements**  
**For the Year ended 30 June 2022**

---

In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Changes in the measurement of the liability are recognised in profit or loss.

Employee benefits are presented as current liabilities in the balance sheet if the Association does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date regardless of the classification of the liability for measurement purposes under AASB 119

**(d) Inventories**

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first in first out basis and are net of any rebates and discounts received. Net realisable value is estimated using the most reliable evidence available at the reporting date and inventory are written down through an obsolescence provision if necessary.

**(e) Property, Plant and Equipment**

Plant and equipment are carried at cost or fair value less, where applicable, any accumulated depreciation and impairment of losses.

Plant and equipment are depreciated on a straight-line basis over the asset's useful life to the Association, commencing when the asset is ready for use.

**(e) Revenue and Other Income**

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

Interest Revenue

Interest is recognised using the effective interest method.

Rendering of Services

Revenue in relation to rendering of services is recognised depending on whether the outcome of the services can be estimated reliably. If the outcome can be estimated reliably then the stage of completion of the services is used to determine the appropriate level of revenue to be recognised in the period.

If the outcome cannot be reliably estimated then revenue is recognised to the extent of expenses recognised that are recoverable.

Grant Revenue

Government grants are recognised at fair value where there is reasonable assurance that the grant will be received and all grant conditions will be met. Grants relating to expense items are recognised as income over the periods necessary to match the grant to the costs they are compensating. Grants relating to assets are credited to deferred income at fair value and are credited to income over the expected useful life of the asset on a straight-line basis

**Transgender Victoria Incorporated**  
**Notes to the Financial Statements**  
**For the Year ended 30 June 2022**

---

**(f) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the balance sheet.

**11. Statutory Information**

The registered office and principal place of business of the association is:

100 Drummond Street Carlton Vic 3053

**Transgender Victoria Incorporated**  
**Financial Declaration by Members of the Committee**  
**For the Year ended 30 June 2022**

---

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 2 to the financial statements.

***Per section 60.15 of the Australian Charities and Not-for-profits Commission Regulation 2013***

The Responsible Persons declare that in the Responsible Persons' opinion:

- (a) there are reasonable grounds to believe that the registered entity is able to pay all of its debts, as and when they become due and payable; and
- (b) the financial statements and notes satisfy the requirements of the *Australian Charities and Not-for-profits Commission Act 2012*.

Signed in accordance with subsection 60.15(2) of the *Australian Charities and Not-for-profit Commission Regulation 2013*.

## **Transgender Victoria Incorporated Independent Auditor's Report**

---

### **Report on the Audit of the Financial Report**

#### **Opinion**

We have audited the accompanying financial report, being a special purpose financial report, of Transgender Victoria Incorporated which comprises the financial position as at 30th June 2022, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including summary of significant accounting policies and managements assertion statement and the Australian Charities and Not-for-profits Commission Act 2012.

In our opinion, the accompanying financial report presents fairly, in all material respects, the financial position of Transgender Victoria Incorporated as at 30th June 2022, and its financial performance and its cash flows for the year then ended in accordance with Associations Incorporation Reform Act 2012.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditors Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter - Basis of Accounting**

We draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared to assist Transgender Victoria Incorporated to meet the requirements of Associations Incorporation Reform Act 2012. As a result, the financial report may not be suitable for another purpose. Our opinion is not modified in respect of this matter.

#### **Responsibilities of Management and Those Charged with Governance**

Management is responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

## **Transgender Victoria Incorporated Independent Auditor's Report**

---

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A handwritten signature in blue ink, appearing to read "Lionel R Arnold".
