Dear Parents and Carers,

**RE: Year 2 Ocean Curriculum Visits**

This half term as part of our "Ocean Curriculum" Year 2 will be completing a local study where they compare the organisms that can be found within two different habitats.

The visits are as follows:

- The afternoon of **Monday 9<sup>th</sup> June** – A trip to Corbyn Sands to study and explore the rockpools.
- The afternoon of **Wednesday 18<sup>th</sup> June** – A trip to Torre Abbey Gardens to study the flora and fauna living there.

Both of the dates above are weather dependent and may have to change. You will be notified through Arbor if this is the case. Please can you ensure that your child comes to school on these days dressed in their school uniform and has a water bottle, hat and appropriate footwear.

We will have a usual morning timetable at school and will return before the end of the day.

If you have any questions or are available to help on either afternoon, please speak to, or email your child's class teacher using their class name (for example, for Squirrels class, you can e-mail [squirrels@cockingtonprimary.org.uk](mailto:squirrels@cockingtonprimary.org.uk)).

Yours faithfully,

**The Year 2 Team**

**'Believe, Achieve, Succeed'**
