Dear Parents and Carers,

Re: Year 1 Design and Technology Car Making Outcome

This half term, our Year 1 children have been learning about wheels and axles in design and technology. They have designed their own cars for the Three Little Pigs to help them escape from the Big Bad Wolf. The children have explored how wheels and axles work and would like to invite you into school to help bring their designs to life. After this, the children will test their designs to see how well their cars move.

We would be delighted if you could join us in Rabbits and Foxes classrooms on **Friday 6th February at 9:00am**. You are welcome to join the children in the classroom at the start of the day. This session will run until 10:30am. It would also be helpful if you could bring along a box - a shoe box is the perfect size; however, we do have some spare boxes available.

We are really looking forward to this fantastic, hands-on event and hope you can join us to support the children in their learning.

Kind regards,

Miss Muirhead-Smith and Mrs Goad

Year 1 Class Teachers
