Dear Parents and Carers,

Re: Year 6 Performance – Rock Bottom

It's exactly a week before our performances and Year 6 are extremely excited and really looking forward to performing their show to you – Rock Bottom. There will be two performances on consecutive nights this year – **Wednesday 8th July and Thursday 9th July. Children need to attend both performances.**

Please complete this [online form](#) by **12 noon Monday 6th July** to indicate which night you would like to attend and how many seats you will require (we can only guarantee **four seats per family**):

[Year 6 Performance - Rock Bottom – Fill in form](#)

Places will be allocated automatically and we will have a list on the night to check you in. If there are any spare spaces, we will send a text informing you. Please note: there are no physical tickets sent home.

Siblings will have the opportunity to see the performance during school time. Therefore, if it is possible for you to avoid booking tickets for younger children, we would very much appreciate it. Thank you for your support with this.

The Avenue Road gate will **open at 4:30pm** ready for the performance to begin at around 5pm. All Year 6 children should be at school at 4:30pm (even if their family isn't watching) so that they can get changed into their costumes and calm their nerves! During this time, you can take your seat.

The show is just over an hour long in duration. There will be opportunities after the performance for you to take photos of your children should you wish.

We have arranged for a video production company to come and film Thursday evening's performance. The performance will be captured with multiple cameras and professionally edited before being transferred to DVD or USB copies for you to purchase. More information will be sent home about this after the shows have been performed.

If you have any queries, please do not hesitate to contact us.

Best wishes,

Mrs Washington , Mrs Collier and Mr Yates
Year 6 Teachers

'Believe, Achieve, Succeed'
