Year 5 Autumn 1: Soul Searchers - How can art and music evoke emotion?

Please complete **red home learning** on Seesaw every week in time for Friday morning.

Additionally, there are 6 optional activities you can choose over the next half term to develop your understanding of our Learning Enquiry. We will celebrate these pieces of learning with Dojos as well as sharing as a class.

Grammar

Complete the fortnightly task on Seesaw.

Maths

Complete the fortnightly task on Seesaw.

Spellings

Complete the weekly spellings on Seesaw using the text and pen tools ready for your test on Friday.

Reading

Aim to read your AR book for at least 15 minutes every day and ask your adult to sign your reading journal every week. When you have finished, you can quiz your book at in school - just let your teacher know.

Year 5 Autumn 1: Soul Searchers - How can art and music evoke emotion?

English

Write a set of instructions to make your favourite dish - you could even photograph the different steps and the final product.

Big Idea - Talents and Interests:

For the duration of this Learning Enquiry, we will support you in developing your creative interests and talents. However, we want to know what you perceive to be your biggest or best talent?

Could you film yourself showing your talent and upload it to Seesaw?

Science

Our unit this half term focuses on forces. Use your knowledge of air resistance and gravity to create a paper helicopter that will fall as slowly as possible. You could record the timings on a chart or graph.

Jigsaw

This half term, our Jigsaw focus is 'Being me in My World'. Your task is to consider what you value most about (1) your home and family and (2) your school and community. Finally, you should share up to three hopes for this school year.

Save your learning to seesaw, either by working on the site directly, or uploading your creation.

Art

This half term our art focus is sculpture. We will be learning about and experimenting with the styles of Antony Gormley, Antonio Giacometti and Henry Moore.

Can you create your own sculpture from recycled materials?

Can you find any sculptures in your local area and upload a picture of it on Seesaw?

Music

Use the Song Maker tool at this website: [Chrome Music Lab](https://chromeexperiments.com) (chromeexperiments.com) to create a short piece of music that has a strong emotion or mood within it. Try creating a sad piece, or a jolly one or one that makes you think of danger. You can save it and upload the link to your piece on Seesaw.
