Dear Parents and Carers,

RE: Year 5 Residential to Grenville House, Brixham

One of the many exciting and wonderful things about joining Year 5 is that your child will have the fantastic opportunity to participate in a residential! As such, I am delighted to be able to share with you that we have the chance to spend two-nights at Grenville House Education Centre next spring. The residential will take place from **Monday 22nd to Wednesday 24th February 2027**, with activities designed to help boost your child's confidence, enhance co-operation and build on their life skills.

Grenville House Education Centre is based in Brixham and specialises in outdoor and environmental education for children and young people. Under the guidance of their specialist Outdoor Education Team the children will participate in paddleboarding, raft-building, a high rope challenge and coasteering.

The total cost for the trip is £195.00 per child (£97.50 if your child is in receipt of targeted pupil premium). This includes coach transfers, full board and all activities. A deposit of £50.00 (£25.00 for children in receipt of targeted pupil premium) will need to be paid by **Friday 23rd October 2026** in order to secure their place.

Following the deposit, the suggested installment plan is:

- 30th November 2026 - £48.00 (£24.00 for targeted pupil premium)
- 31st December 2026 - £48.00 (£24.00 for targeted pupil premium)
- 31st January 2027 - £49.00 (£24.50 for targeted pupil premium)

If you experience or envisage any difficulties with payments, please speak with us at the earliest opportunity. All payments must now be received through our school Arbor account and no monies should be sent into school.

With this in mind, we would like to invite you to school on **Monday 19th October at 3.30pm** to share with you information about the children's stay. It is also a great opportunity for you and your children to ask any questions you may have.

If you have any questions or concerns before, please do not hesitate to contact your class teacher:
