Puzzle overview: Celebrating Difference

In this Puzzle, children explore cultural similarities and differences, reflect on their own identities, and consider how assumptions and stereotypes can lead to conflict. They develop an understanding of racism, discrimination and different forms of bullying, including rumours, name-calling and cyberbullying. Across the six Pieces, children practise problem-solving, managing feelings and supporting others who experience bullying. They explore how wealth and happiness are not the same and compare lives across the world, developing empathy and respect for different communities.
