**What is the purpose of this trip? | Missions**

**What is the Mission Project your Group will be participating in? |** NorthStar partnered with SCORE during Fall Break 2024 and our families were able to deliver bags of food, host Vacation Bible School, and build fellowship opportunities to serve the SCORE missionaries.

SCORE International, founded in 1984, is a thriving mission organization supported by a dedicated team with over 35 years of combined experience. With a focus on sustainable efforts like church planting, anti-human trafficking, and medical outreaches, SCORE has grown to include 54 missionary families by the end of 2023. Short term teams collaborate with long-term missionaries to nurture relationships that reflect Christ's love. Looking ahead, SCORE aims to continue its impactful mission of spreading the Gospel, multiplying disciples, and glorifying Jesus Worldwide. We will have an opportunity to help with light construction, personal evangelism, sports, and ministry with families in the DR. NorthStar has partnered with SCORE for several years.

- This trip is very family friendly. Kids 6 and above would be able to contribute in a meaningful way.
- This is a great first mission trip...or a valuable experience for a seasoned missionary...and everything in between.
- Immunizations based on physician recommendation
- Passport must not expire until after March 25, 2027 (DR government requires 6 additional months after the return flight before passport expires)
