LOCAL DENTIST NAMED DIPLOMATE IN IMPLANT DENTISTRY

CHICAGO—In June of 2026 after passing rigorous examinations on implant dentistry, Andrew Currie, DMD, MS from Brookhaven, GA joined over 500 other dentists in the United States, Canada and Internationally in becoming a Diplomate of the American Board of Oral Implantology/Implant Dentistry (ABOI/ID), making Dr. Currie one of the worldwide leading experts in implant care.

To earn this title, Dr. Currie demonstrated his expertise through several years of implant dentistry practice, extensive continuing education and passing a rigorous oral examination which included case reviews by an expert panel sponsored by the ABOI/ID.

The ABOI/ID's examination process measures the in-depth knowledge, proficient skills, and abilities required for practitioners to provide comprehensive, safe, and effective oral implant care for the public.

The ABOI/ID was founded in 1969 and conducts examinations to determine the qualifications and competence of dentists who voluntarily apply to the Board for certification.

Yours Sincerely,

Alvaro Gracia, DMD
ABOI/ID President
