ANDERSEN®

# European Employment Insights

Your monthly overview of key  
employment law update  
across Europe

Practical legal developments. Local expertise. One European snapshot.

## European Partner **Spotlight**

## AI in legal practice – an Irish perspective

*“The essence of the profession will remain human. Law ultimately requires judgement, ethics and trust - qualities that technology alone cannot provide.”*

Interview with **Cian Moriarty**  
Partner at Law Firm Philip Lee  
Collaborating firm of Andersen Global
