“And how can anyone preach unless they are sent?” – Romans 10:15

Sprouting Seeds

High in the Himalayas of North India, a Pioneers team has regularly visited a particular mountain valley for the past few years. Our team now has close relationships with people in each village and shares the Good News at every opportunity. They often stop at a guesthouse where the owners know them by name and warmly welcome them.

Our Pioneers team has shared the gospel many times with the guesthouse owners and passing neighbors. What our team didn't realize was how much the house helper, “Roshni,” was listening.

Over time, Roshni became convinced. **She decided to follow Jesus!**

Meanwhile, Roshni's husband, "Kabir," joined one of the team's tourist trips carrying luggage for foreign guests. At the start, he kept his distance during the group's daily devotions. However, as the trip continued, he began reading Scripture over the shoulder of a local friend and asking questions. **Kabir eventually came to faith too!**

Kabir and Roshni began sharing the gospel together, which led Roshni's family to follow Christ. They launched a small house fellowship in their village. At first, they quietly met at night, sneaking out one by one to avoid drawing attention to their meeting. Their time in God's Word and in prayer was edifying, but overshadowed by fear.

Now, God has given them boldness, and this new church meets with the door open, prays aloud and even sings worship songs together.

What an amazing display of God's saving power in one of the world's most spiritually dark countries. Praise God for their salvation and their growth in faith! Please pray that more people in their village will join them.

It Takes All of Us

Today, more than 3.6 billion people remain unreached, meaning they have little to no access to a church, a Bible, or a believer. In India, more than 95% of the population is still unreached.

But people like Roshni and Kabir are hearing the gospel and planting churches because of committed partners like you. Your partnership mobilizes missionaries from all nations to all nations, offering them innovative access strategies like business and digital media.

Romans 10:15 says, *"And how can anyone preach unless they are sent?"*

Paul is emphasizing our crucial role as senders, holding the rope for those who carry the good news of the gospel.

In 2026, through the generosity of donors like you, we already recruited 111 American and Global South missionary candidates and sent them to 29 people groups.

Our church planting teams that use digital media strategies also identified 335,134 spiritual seekers—people who are open to learning more about Jesus—and connected them with a local Pioneers missionary or partner. This led to 31,270 people receiving Bibles and **2,955 people coming to faith!**

Your gift of \$10,000 right now could connect 2,000 spiritual seekers with a Pioneers missionary or partner.

A Greater Harvest Ahead

In 2023, Pioneers launched an ambitious goal to engage 250 more unreached people groups and places in the next 10 years.

Since then, God already has moved in incredible ways. We now have workers serving in an Arab country in the Middle East for the first time in over a decade. Another church planting team is attending language school, preparing to engage a Central Asian people group people. This is significant because engaging this people group requires speaking two languages.

In North Africa, our church planting teams are engaging 24 unreached people groups and aiming to reach eight more UPGs and four new cities.

These early steps offer a glimpse of a greater harvest ahead. As this vision unfolds, we are asking God to open new doors. But **we need partners like you** to send workers to some of the hardest-to-reach places around the world.

Will You Join Us?

In 2027, Pioneers is committed to sending workers from all nations to all nations. Many of our workers use creative access ministries, like businesses and digital strategies, to share the Good News among unreached communities.

Will you help us send more workers to people who have never heard the gospel?

Together, we can have an impact among 250 more unreached people groups and places around the world. As it says in Romans 10:15,

“And how can anyone preach unless they are sent?”

When you join as one of the Strategic Partners who generously give this year, we can see:

1. 250 American & Global South missionary candidates recruited
2. 30–40 unreached people groups receive a new missionary
3. 600,000 spiritual seekers connected with a Pioneers missionary or partner

Your gift of \$25,000 right now could coach a new missionary family.

Will you prayerfully consider committing annually as a Strategic Partner this year? Here is how you can support the international movement:

- 4-5 partners committing **\$250,000–\$500,000** annually
- 7 partners giving **\$100,000** annually
- 11 new churches committing **\$50,000** annually
- 50 partners giving **\$10,000** annually
- 25 new churches committing **\$10,000** annually
- Several thousand individuals committing monthly contributions

Give Now

Give online at Pioneers.org/spf27.

Give by mail, making checks payable to [Pioneers](https://Pioneers.org). Include a note designating your gift to the 2027 Strategic Partner Campaign, #151480 A27SPDDM1.

Mail to Pioneers, P.O. Box 621329, Orlando, FL 32862.

Contact us with any questions at 407-581-7311 or development@pioneers.org.
