PRICE GUIDE

Welcome!
I'm Danielle Vernengo
with over 20 years of
experience I help young
actors break into the
business and thrive.

I am an Orange County Headshot Photographer and Acting Coach specializing in Kids and Young Adults. I have over twenty-years experience coaching! I work with actors on Self-Tapes, coaching them to ensure they deliver their best performance; teaching actors the industry, and taking headshots that capture my client's personalities. I work in person with actors in Orange County, Los Angeles, and San Diego, as well as all over the country via Zoom.

HOW DO I GET GREAT HEADSHOTS?

take headshots that will actually show off your personality and help you land the role.

Part of getting a great headshot is knowing your brand. I work with my clients to figure out what that means and then show it off in their photos. I do what it takes with my clients to get the look to make them successful. We will dance, do improv and actually act during your headshot session!

Alyssa Recavanen

“We have only had the new headshots up for a little over a week, and my daughter has already gotten 3 auditions and booked a job! Great headshots really do make a difference. I am in love with my daughter's new headshots. Danielle did such a wonderful job and really paid attention to the little details.”

Teagan O'Flaherty

“Worth every penny! She's professional, patient with kids and makes you feel comfortable too. She helped me curl my daughter's hair, pick out outfits and gave me some pointers. She sent us so many images of our toddler that this was the first time that her agent didn't ask for more!”

Rita O'Flaherty, Mom

I'M AN ACTING COACH, A HEADSHOT PHOTOGRAPHER AND A MOM WITH KIDS IN THE BUSINESS.

I have a passion for acting, teaching and family.

‘After my second child was born, my husband and I decided to leave the hustle of Los Angeles and move back to Orange County where we were both born and raised. We love the entertainment industry and couldn't bare to leave it behind entirely; so, we teamed up combining my 20 years experience as an actress and acting coach, and my husband's skills as a professional videographer and editor to help young actors take a shot at their Hollywood dreams. Together we help kids navigate through the daunting task of taking headshots, creating demo reels, and of course, how to become a working actor.

Frequently asked questions:

HOW DO I BOOK HEADSHOTS?

Booking with me is easy! Just go to my website and click “book now.” That will take you to my pricing and packages. Simply pick the package you would like to book to see available time slots. From there you can choose your day/time, see my contract and pay a \$100 deposit directly from the invoice.

I DON'T SEE A TIME THAT WORKS FOR ME, ARE YOU FLEXIBLE?

I understand everyone is busy, and for child actors, schedules can be downright daunting between school and sports! I get it, and I want to help. I take headshots most days preferably between 9am and 2p. If you don't see something that works for you, let's chat. Just shoot me an email or give me a call and I'll do my best to work with you.

If you're booking a coaching, since time is of the essence please shoot me a text so I can get you scheduled ASAP!

DO I NEED TO BOOK HAIR AND MAKEUP?

This is entirely up to you and your comfort. Hair and make up is an add-on to my packages and will be paid directly to the make up artist at your shoot. In general, I find that children 11 and under do NOT need to have hair and make up. Just come with a clean face and clean hair. I am great at doing hair and can make the changes for you from look to look. The goal is to keep kids looking young. Yes, teenagers, that means you too!

For those 12 and over you may want to consider booking hair and make up. Especially those battling acne, blemishes or dark under-eye circles. I work closely with my make up artist to ensure the make up looks natural! Having hair and make up keeps the session stress free so you know your skin and features look beautiful!

To book hair and make up, just choose your package. Once you receive your questionnaire by email there will be a space to say you want make up.

WILL YOU TAKE BODY SHOTS AS WELL?

Yes, in every session I will not only take headshots but I will also include full body, 3/4, and profile pics if needed.

CAN I BRING A FAMILY MEMBER?

Yes. my studio is a very family friendly environment. If it makes you more comfortable, I am happy to have an extra person to help out specifically with little ones. If you have additional kids and can't find someone to watch them, no worries, they are welcome here. I have a playroom they are welcome to hang out in or they can join us in the studio if they are not distracting for the actor/model. I also have a very gentle golden retriever who loves to play with kids and assist however she can.

Thank You!

Thanks for considering me to take your Headshots or work together with private coaching. I look forward to the chance to get to know you and to help you advance your career as an actor no matter what stage you are in! I can't wait to hear from you!

xoxo, Danielle Vernengo
