

COMPACT STYLE. POWERFUL IMPACT.

The Seismix 1 Evara proves you don't need a large subwoofer to enjoy deep, powerful bass. Compact and stylish, it slips easily into almost any space, apartments, living rooms or bedrooms adding rich, low-end energy to both music and movies.

With clean, modern styling, it blends seamlessly into your décor, whether tucked into a corner, hidden within cabinetry, or placed proudly on display. Wherever it sits, the Seismix 1 Evara delivers smooth, room-filling bass that elevates every sound experience.

For the ultimate sound experience at home, play it through Krix.

Seismix 1 Evara in Studio Black and Studio White

Big bass impact

Brings depth, energy and excitement to everything you play, from the subtle details in music to the full force of blockbuster movies and immersive gaming.

Seamless design

With clean lines and a modern aesthetic, the Seismix 1 Evara blends effortlessly into your home, whether it's on display or discreetly positioned out of sight.

Made for living

Perfect for apartments, living rooms, bedrooms or even hidden in custom joinery.

Australian made

Krix has proudly engineered and manufactured speakers in Australia since 1974.
