

ON-WALL SURROUND.

Complete your home theatre with surround sound that places you right in the middle of every moment.

Ideal as rear or side surround speakers in your home theatre, Dynamix Evara mounts neatly on the wall, delivering an enveloping surround sound experience while maintaining a clean, contemporary look. Whether you're enjoying the latest blockbuster or your favourite concert, Dynamix Evara brings every soundtrack to life with exceptional detail, depth and realism.

Available in the signature Evara matte finishes, Dynamix Evara integrates seamlessly with the rest of the Evara range, making it easy to create a beautifully coordinated home entertainment system.

For the ultimate sound experience at home, play it through Krix.

Dynamix Evara in Studio Navy

Dynamix Evara with grille in Studio Navy

Room-filling sound

Fills your space with dynamic, engaging sound for both music and movies, from everyday listening to immersive experiences.
