BIO

Known for his dynamic approach to the craft, Partok infuses energy and spirit into every dancefloor. The self-proclaimed 'Certified Rave Mom' draws on the foundational sounds of house and techno, reinterpreting them with modern beats to create his distinctive style. Always packed with crisp drums and always keeping it queer.

Following stand out shows at Glastonbury's Block9, Houghton, Love International, and Lost Village festivals, the Berlin-based artist had his busiest summer to date, maintaining regular appearances at clubs such as Blitz in Munich, Basement NY, and both Panorama Bar & Berghain.

His latest venture is the 'LAUNDRETTE' parties, which he hosts with Roi Perez and David Elimelech, where the trio plays B3B from start to finish, sometimes for 15+ hours.
