BIOGRAPHY

Yamour is a Berlin-born DJ who focuses on intentional, storytelling selections - music that carries vision, weight and emotional depth. Drawing from a wide palette of records, she moves fluidly between old school and contemporary sounds, presenting her vinyl-only sets through a stripped-back mixing style that lets the music speak for itself.

Her musical foundation was substantially shaped by her hometown's nightlife and having worked four formative years at record shop Hard Wax. Since her DJ debut at Heideglühen in 2022, she has steadily expanded onto international lineups, returning to Waking Life annually since 2023 and becoming a regular presence at Panorama Bar.

Beyond the booth, Yamour was part of the core team behind Good2U Festival, where she co-curated the lineup across its first three editions and helped shape its early identity. Furthermore, she is a regular at Giegling showcases and holds a DJ residency at Blitz Club, Munich.
