ANGEBAT

EHEMENTER ANGEBAT QUO

ATQUE, UT TULLIUS AIT

Atque, ut Tullius ait, ut etiam ferae fame monitae plerumque ad eum locum ubi aliquando pastae sunt revertuntur, ita homines instar turbinis degressi montibus impeditis et arduis loca petivere mari confinia, per quae viis latebrosis sese convallibusque occultantes cum appeterent noctes luna etiam tum cornuta ideoque nondum solido splendore fulgente nauticos observabant quos cum in somnum sentirent effusos per ancoralia, quadrupedo gradu repentes seseque suspensis passibus iniectantes in scaphas eisdem sensim nihil opinantibus adsistebant et incendente aviditate saevitiam ne cedentium quidem ulli parcendo obtruncatis omnibus merces opimas velut viles nullis repugnantibus avertebant. haecque non diu sunt perpetrata.

ATQUE, UT TULLIUS AIT

Illud tamen clausos vehementer angebat quod captis navigiis, quae frumenta vehebant per flumen, Isauri quidem alimentorum copiis adfluebant, ipsi vero solitarum rerum cibos iam consumendo inediae propinquantis aerumnas exitialis horrebant.

ATQUE, UT TULLIUS AIT

Ego vero sic intellego, Patres conscripti, nos hoc tempore in provinciis decernendis perpetuae pacis habere oportere rationem. Nam quis hoc non sentit omnia alia esse nobis vacua ab omni periculo atque etiam suspicione belli?
