ASC shall not respond directly to any such request except on the documented instructions of the Controller or as required by applicable law.

9.3. For the avoidance of doubt:

9.3.1. ASC's obligation under Clause 9.2 is limited to forwarding the request to the Controller and does not extend to assessing the validity, merit, or legal basis of the request;

9.3.2. the Controller is solely responsible for verifying the identity of the Data Subject and determining the appropriate response to each Data Subject Request;

9.3.3. ASC's assistance with Data Subject Requests is limited to measures that are technically feasible through the platform's existing functionality, and ASC shall not be required to develop new features, modify the platform, or undertake manual processing that is not supported by the platform's standard administrative functions;

9.3.4. ASC shall not be liable for any delay, failure, or deficiency in responding to a Data Subject Request to the extent caused by the Controller's failure to provide timely instructions, the Controller's decision regarding the response, or the Controller's failure to use the platform's available functionality; and

9.3.5. the Controller shall indemnify ASC against any claims, damages, or regulatory penalties arising from ASC's compliance with the Controller's documented instructions regarding a Data Subject Request, except to the extent such claims arise from ASC's failure to comply with those instructions.

9.4. ASC maintains a Data Subject Request register that records, for each request:

9.4.1. the date of receipt and the nature of the request;

9.4.2. the identity of the Data Subject (to the extent known);

9.5. Subject to Clauses 9.3 and 9.6, ASC shall provide such assistance as the Controller reasonably requests in relation to Data Subject Requests, limited to providing information and documentation within ASC's possession or control that is necessary for the Controller to respond within required timeframes.

9.6. ASC may charge reasonable fees for assistance with Data Subject Requests to the extent such assistance requires resources beyond ASC's standard platform functionality or exceeds five (5) Data Subject Requests in any calendar month.

10. PERSONAL DATA BREACHES

10.1. ASC shall notify the Controller without undue delay after becoming aware of a Personal Data Breach affecting Personal Data Processed under this DPA. ASC shall use reasonable efforts to provide such notification within seventy-two (72) hours where practicable.

10.2. ASC has established a dedicated incident response team responsible for managing Personal Data Breach incidents. The incident response team includes senior personnel from relevant functions, including executive leadership, information security, information technology, and data protection. The incident response team is responsible for:

10.2.1. assessing the nature and scope of any suspected or confirmed Personal Data Breach;

10.2.2. coordinating containment and remediation measures;

10.2.3. preparing notifications to Controllers and, where required, to Supervisory Authorities and Data Subjects; and

10.2.4. conducting post-incident review to identify and implement measures to prevent recurrence.

10.3. The notification to the Controller shall include, to the extent then known:

10.3.1. a description of the nature of the Personal Data Breach, including where possible the categories and approximate number of Data Subjects and Personal Data records concerned;

10.3.2. the name and contact details of a contact point where more information can be obtained;

10.3.3. a description of the likely consequences of the Personal Data Breach; and

10.3.4. a description of the measures taken or proposed to address the Personal Data Breach, including measures to mitigate its possible adverse effects.

10.4. Where it is not possible to provide all information at the same time, ASC shall provide the information in phases without undue further delay.

10.5. ASC shall cooperate with the Controller and provide reasonable assistance in relation to any notifications to Supervisory Authorities or Data Subjects required following a Personal Data Breach. ASC may charge reasonable fees for assistance provided under this Clause 10.5 to the extent such assistance requires more than thirty (30) hours of ASC personnel time, except where the Personal Data Breach was caused solely by ASC's breach of its obligations under this DPA.

10.6. ASC maintains a breach register documenting all Personal Data Breaches, regardless of whether notification to Supervisory Authorities is required. The breach register records:

10.6.1. the date and time of discovery of the Personal Data Breach;

10.7. ASC shall make relevant extracts from the breach register available to the Controller upon reasonable request in connection with any Personal Data Breach affecting the Controller's Personal Data.

10.8. Any notification made by ASC under this Clause 10 shall not be construed as an acknowledgement of fault or liability by ASC with respect to the Personal Data Breach.

11. AUDIT RIGHTS

11.1. ASC shall make available to the Controller all information necessary to demonstrate compliance with the obligations set out in this DPA and applicable Data Protection Laws.

11.2. ASC shall allow for and contribute to audits, including inspections, conducted by the Controller or an auditor mandated by the Controller, subject to the following conditions:

11.2.1. the Controller shall provide ASC with at least thirty (30) days' advance written notice of any proposed audit, except where such audit is required due to a Personal Data Breach or a request or investigation by a Supervisory Authority, in which case reasonable notice shall be provided;

11.2.2. the scope of any audit shall be agreed in advance between the Parties and shall be limited to matters reasonably necessary to verify ASC's compliance with this DPA;

11.2.3. audits shall be conducted during normal business hours and in a manner that minimizes disruption to ASC's business operations;

11.2.4. the Controller and any auditor mandated by the Controller shall be bound by confidentiality obligations no less protective than those contained in the Agreement;

11.2.6. ASC may satisfy audit requests by providing the Controller with copies of relevant third-party audit reports, certifications, or attestations (such as ISO 27001 certification or SOC 2 Type II reports), subject to confidentiality obligations. If ASC provides such reports and they are no more than twelve (12) months old, the Controller's audit rights under this Clause 11 shall be deemed satisfied for the period covered by such reports, unless the Controller demonstrates in writing that specific, material concerns exist which are not addressed by such reports and which require on-site verification.

11.3. The Controller shall be entitled to conduct no more than one (1) audit per calendar year under this Clause 11, unless a Personal Data Breach affecting Personal Data Processed under this DPA has occurred or a Supervisory Authority has requested or commenced an investigation concerning ASC's Processing of Personal Data under this DPA.

11.4. Any third-party auditor mandated by the Controller shall not be a direct competitor of ASC or an Affiliate of a direct competitor of ASC, and shall execute a confidentiality agreement with ASC prior to commencing any audit.

11.5. If an audit reveals material non-compliance by ASC with this DPA, ASC shall promptly take steps to remedy such non-compliance at ASC's expense.

11.6. The audit rights granted under this Clause 11 do not extend to the facilities or systems of ASC's Sub-processors. Where the Controller requires assurance regarding a Sub-processor's compliance, ASC shall use reasonable efforts to obtain and provide relevant certifications, audit reports, or attestations from the Sub-processor, subject to any confidentiality restrictions imposed by the Sub-processor.

12. INTERNATIONAL DATA TRANSFERS

12.1. ASC shall not transfer Personal Data to a country outside the EEA or the United Kingdom (as applicable) unless appropriate safeguards are in place in accordance with applicable Data Protection Laws.

12.2. EEA-Established Controllers: Where the Controller is established in the EEA and a Restricted Transfer occurs, the EU SCCs set out in Schedule 1 shall apply. For the purposes of the EU SCCs: (a) Module 2

(Controller to Processor) applies; (b) the Controller is the "data exporter" and ASC is the "data importer"; and (c) the Annexes shall be completed in accordance with Schedule 1.

12.3. UK-Established Controllers: Where the Controller is established in the United Kingdom and a Restricted Transfer occurs: (a) the EU SCCs set out in Schedule 1 shall apply, as modified by the UK IDTA set out in Schedule 2; and (b) the UK IDTA shall be completed in accordance with Schedule 2. The UK IDTA takes precedence over the EU SCCs to the extent of any conflict, except where the EU SCCs provide greater protection for Data Subjects.

12.4. Controllers in Non-Restricted Jurisdictions: Where the Controller is established in the United States or in a country benefiting from an adequacy decision under applicable Data Protection Laws, Schedule 1 and Schedule 2 shall not apply to the extent that no Restricted Transfer occurs.

12.5. ASC's standard data hosting and processing locations, and the circumstances in which authorized personnel may remotely access Personal Data for the purposes of support, maintenance, and service delivery, are set out in Annex I to Schedule 1. To the extent such arrangements involve the transfer of Personal Data to a country outside the EEA or the United Kingdom (as applicable), such transfers constitute Restricted Transfers subject to the safeguards set out in this Clause 12.

12.6. Where Schedule 1 and/or Schedule 2 apply, the liability provisions in Clause 12 of the EU SCCs (and, where applicable, as modified by the UK IDTA) govern liability for breaches of those instruments, as further addressed in Clause 14 of this DPA.

13. DATA RETENTION AND DELETION

13.1. ASC shall Process Personal Data only for so long as necessary to fulfill the purposes set out in the Agreement and Schedule 1, and in accordance with the Controller's documented instructions.

13.2. Upon termination or expiry of the Agreement, the Controller shall notify ASC in writing within thirty (30) days whether it elects return of Personal Data under this Clause 13. If the Controller fails to make such election within this period, the Controller shall be deemed to have elected deletion under Clause 13.3.2.

13.3. Following the Controller's election (or deemed election), ASC shall:

13.3.1. where the Controller elects return, return all Personal Data to the Controller in a commonly used, machine-readable format within (90) days of such election, or within such other period as specified in the Agreement; or

13.4. If the Agreement does not specify a post-termination retention period, ASC shall retain Personal Data for a period of one (1) year following termination or expiry of the Agreement to enable the Controller to retrieve its data and to address any post-termination queries or disputes. Upon expiry of the retention period, ASC shall securely delete all Personal Data using industry-standard deletion methods that render the data unrecoverable, unless a shorter retention period is agreed in writing between the Parties.

13.5. The Parties' respective responsibilities for Personal Data deletion are as follows:

13.5.1. During the term of the Agreement, the Controller is responsible for managing and deleting Personal Data of departed employees, former users, and other individuals whose data is no longer required, using the platform's administrative functions. ASC shall ensure that such administrative

functions enable the Controller to delete Personal Data in a timely manner.

13.5.2. Upon termination or expiry of the Agreement, ASC is responsible for bulk deletion or return of all remaining Personal Data in accordance with the Controller's election under Clause 13.2 and Clause 13.3.

13.5.3. Where the Controller elects deletion, ASC shall provide written confirmation of deletion upon completion.

13.6. Notwithstanding the foregoing, ASC may retain Personal Data to the extent required by applicable law, provided that ASC ensures confidentiality and Processes it only as necessary for the purpose specified by law.

13.7. This Clause 13 shall survive termination or expiry of this DPA.

14. LIABILITY

14.1. Each Party's liability under this DPA shall be subject to the exclusions and limitations of liability set out in the Agreement, except as otherwise provided in this Clause 14.

14.2. Nothing in this DPA or the Agreement shall limit or exclude either Party's liability for:

14.2.1. fraud or fraudulent misrepresentation;

14.2.2. death or personal injury caused by negligence;

14.2.3. any other liability that cannot be limited or excluded by applicable law or the applicable transfer mechanism.

14.3. Neither Party shall be liable to the other for any indirect, incidental, special, consequential, punitive, or exemplary damages, including loss of profits, loss of revenue, loss of business, loss of data, or reputational harm, arising out of or in connection with this DPA, regardless of whether such damages were foreseeable or whether a Party was advised of the possibility of such damages.

14.4. Subject to Clauses 14.2 and 14.3, ASC's total aggregate liability under this DPA for all claims arising in any twelve (12) month period shall not exceed the total fees paid or payable by the Controller to ASC under the Agreement in the twelve (12) months immediately preceding the first event giving rise to liability. This limitation shall apply regardless of the form of action, whether in contract, tort (including negligence), strict liability, or otherwise.

15. ASSISTANCE WITH COMPLIANCE

15.1. ASC shall assist the Controller in ensuring compliance with the obligations pursuant to Articles 32 to 36 of the UK GDPR or EU GDPR (as applicable), taking into account the nature of Processing and the information available to ASC. This includes:

15.1.1. implementing appropriate security measures (Article 32);

15.1.2. notifying Personal Data Breaches to Supervisory Authorities and Data Subjects (Articles 33 and 34);

15.1.3. conducting data protection impact assessments where required (Article 35); and

15.1.4. prior consultation with Supervisory Authorities where required (Article 36).

15.2. ASC may charge reasonable fees for assistance provided under this Clause 15 to the extent such assistance requires more than thirty (30) hours of ASC personnel time per request.

15.3. ASC's assistance under Clause 15.1 shall be limited to providing information about ASC's Processing activities, security measures, and Sub-processors that is reasonably necessary for the Controller to conduct a data protection impact assessment or engage in prior consultation. ASC shall not be required to conduct data protection impact assessments on behalf of the Controller or to provide legal advice regarding the Controller's compliance obligations.

16. GENERAL PROVISIONS

16.1. This DPA comes into effect on the date on which the Agreement becomes effective and continues until the later of: (a) termination or expiry of the Agreement; or (b) ASC ceasing to Process Personal Data on behalf of the Controller.

16.2. In the event of conflict between this DPA and the Agreement, this DPA shall prevail to the extent of such conflict.

16.3. In the event of conflict between this DPA and the EU SCCs (Schedule 1) or the UK IDTA (Schedule 2), the EU SCCs or UK IDTA shall prevail.

16.4. Without prejudice to Clause 17 of the EU SCCs or corresponding provisions of the UK IDTA, the Parties submit to the jurisdiction stipulated in the Agreement for any disputes arising under this DPA.

16.6. Notices under this DPA shall be in writing and delivered in accordance with the Agreement.

16.7. If any provision of this DPA is held invalid, the remaining provisions shall not be affected.

16.8. No amendment of this DPA shall be valid unless in writing and signed by both Parties.

16.9. Nothing in this DPA confers rights on any person other than the Parties, except that Data Subjects may enforce the EU SCCs and UK IDTA as third-party beneficiaries to the extent provided therein.
