The FT Wilshire® indexes are calculated and distributed by Wilshire OpCo UK Limited (Wilshire Indexes). It is not possible to invest directly in an index. Exposure to an asset class represented by an index may be available through investable instruments derived from that index. Wilshire Indexes makes no representations regarding the advisability of investing in investment products based on the indexes not sponsored, endorsed, sold or promoted by Wilshire Indexes. Index returns do not reflect payment of certain sales charges or fees an investor may pay to purchase the securities underlying the index or investment vehicles intended to track the performance of the index. The imposition of these fees and charges would cause actual performance of the securities/vehicles to be lower than the index performance shown. Inclusion of a company in the Wilshire indexes does not in any way reflect an opinion of Wilshire Indexes on the investment merits of the company.
