

# Harmonie™ NatuVel gel

## Product Description

Harmonie™ NatuVel gel delivers unique performance and sensory attributes to color cosmetic and skincare applications. It provides soft focus and blurring effects in addition to mattifying and shine reduction. In formulations, it absorbs quickly and reduces the oily sensation of natural oils and UV filters. The skin feel is powdery dry and cushioned. Being 100% naturally derived, it is suitable for use in formulations with a high percentage naturality and offers excellent compatibility with natural and naturally derived ingredients. It can be used to form the chassis of anhydrous systems such as primers or as an additive to stick or emulsion products.

Harmonie™ NatuVel gel is a naturally derived elastomer gel delivered in the naturally derived emollients Coco-Caprylate/Caprate and Squalane.

## INCI Name

Coco-Caprylate/Caprate (and) Polyglyceryl-2 Isostearate/Dimer Dilinoleate Copolymer (and) Squalane

## Typical Benefits

- Soft focus and blurring effect
- Mattifying and shine reduction
- Fast absorption and oiliness reduction
- Luxury, powdery dry, cushioned sensory
- Moisturized skin after feel
- Non-comedogenic
- Pigment and powder dispersion and suspension aid
- Co-emulsification and stabilization of W/O emulsions

## Features

- 100% naturally derived (ISO 16128)
- Biodegradable
- Compatible with a range of cosmetic ingredients
- Lower PCF (product carbon footprint) compared to silicone alternatives\*
- Dermatologically tested, safe for use up to 100%.
- Patent pending technology
- Vegan
- COSMOS Standard

\*PCF data available upon request

## Typical Physical Properties

Appearance	Colorless to pale yellow translucent gel	Visual Inspection
Viscosity at 25°C (cS)	200,000~500,000 cPs	Brookfield Viscometer 2.5rpm (#T-D/E) at 24hrs

Typical properties are average data and are not to be used as or to develop specifications.

## Potential Applications

### Color Cosmetics

BB and CC creams  
 Concealers  
 Eye shadows  
 Eye products  
 Foundations  
 Lip products  
 Primers

### Skin Care

Body lotions, creams, and butters  
 Cleansing creams, lotions and oils  
 Daily wear SPF  
 Day and night creams  
 Eye creams  
 Facial masks  
 Facial serums and oils

### Sun Care

After sun products  
 Sunscreen creams and lotions  
 Sunscreen oils and sprays

## Regulatory Compliance

- Raw material RSPO SCCS/MB certified by Preferred by Nature in accordance with the requirements of the RSPO Supply Chain Certification Systems. Certificate registration code: PBN-RSPO/SCC-072728. Certified company membership no. 4-1575-24-000-00
- Raw material verified by ECOCERT Greenlife, conform to the COSMOS Standard.

For other regulatory information, contact a MPM representative at [commercial.services@momentive.com](mailto:commercial.services@momentive.com).

# Harmonie™ NatuVel gel

## Considerations for Use

### Preservatives

- None added

For composition statement, contact a MPM representative

### Recommended use level

- Recommended for use from 3- 100%

### Formulation tips and tricks

- Allow at least 24 hours for the formulation structure to be fully established before testing.
- When cooling viscous formulations mix slowly to reduce the formation of air pockets.

## Handling and Storage Instructions

- Store between 15°C (59F) and 43°C (109.4F)
- Use entire container if possible
- Mix before use

## Product Safety, Handling, and Storage

Customers should review the latest Safety Data Sheet (SDS) and label for product safety information, safe handling instructions, personal protective equipment, if necessary, emergency service contact information, and any special storage conditions required for safety. Momentive Performance Materials (MPM) maintains an around-the-clock emergency service for its products. SDS are available at [www.momentive.com](http://www.momentive.com) or, upon request, from any MPM representative. For product storage and handling procedures to maintain the product quality within our stated specifications, please review Certificates of Analysis, which are available in the MyMomentive™ Order Management Site. Use of other materials in conjunction with MPM products (for example, primers) may require additional precautions. Please review and follow the safety information provided by the manufacturer of such other materials.
