BFA in Industrial Design | (NCSS) Nature, Culture, and Sustainability Studies Minor | Graduated with Honors | GPA: 3.75

Danish Institute of Study Abroad (DIS) Copenhagen, Denmark Jan. 2024 - May 2024

Graphic Design Studio | Entrepreneurship Practicum | Designing Communication Campaigns

EXPERIENCE

ShineDC | Office/Admin Assistant Washington DC, DC April 2026 - Present

- Coordinate day-to-day office operations to support an efficient and collaborative work environment.
- Facilitate communication and logistics between two office locations, ensuring smooth team coordination.
- Manage freelancer onboarding, including technology setup, workspace preparation, and administrative support.

Renergy Solar | Design Intern Copenhagen, Denmark Jan. 2024 - May 2024

- Led UX audit and redesign of company website in Figma, improving navigation, layout clarity, and desktop accessibility.
- Built and organized a scalable brand asset library to improve consistency and efficiency across company communications.
- Designed investor and client presentations that translated technical concepts into clear visual storytelling.

RISD x NASA | UX Designer Providence, Rhode Island Sep. 2023 - Mar. 2024

- Contributed to the NASA SUITS rover dashboard UI by wireframing interface layouts and defining core interaction structures for mission control workflows.
- Refined button behaviors and UI states through iterative prototyping and peer usability testing to improve clarity, responsiveness, and task efficiency.

Little Kids Inc. | Product Design Intern Seekonk, Massachusetts June 2023 - Aug. 2023

- Designed consumer products and supporting digital interfaces in collaboration with engineering and marketing teams.
- Created user-centered marketing and digital assets that aligned with product and brand goals.
- Contributed to product strategy and business model development through research and cross-functional collaboration.
