## Letter from the Bronx Borough President

Dear Neighbor,

Happy Bronx Week 2026! I am proud to announce the return of this annual tradition, which runs from May 1 to May 17, celebrating everything that makes our borough strong, vibrant, and full of promise, passion, and purpose. This year, under the theme "The Bronx Leads," we honor the people, institutions, and communities that continue to lead the way and shape the future of our borough.

Bronx Week celebrates the very best of our borough, from our veterans, seniors, and educators to our youth, small business owners, healthcare professionals, artists, and community organizations. It is a reflection of the people who make the Bronx a great place to live, work, and visit, and reminds us of the strength and spirit that define us.

I hope you will use this calendar as your guide to explore all that Bronx Week has to offer and participate in the many events and activities planned throughout the celebration. From the Bronx Walk of Fame Induction Ceremony, including this year's People's Choice Award honoring an outstanding leader in the Culinary Arts, to the Bronx Week Parade and Food and Arts Festival, there is something for everyone to enjoy.

Thank you to our amazing partners and sponsors for helping make this celebration possible and a tremendous success each year. Their continued support allows us to bring Bronx Week to life and to showcase the people and places that make our borough a true global destination.

It is my honor to serve as your Bronx Borough President, and I look forward to celebrating with all of you as we continue to move our borough forward together. This year's Bronx Week is not just a celebration of who we are, but also a reflection of where we're headed and everything that lies ahead.

Sincerely,

Vanessa L. Gibson  
Bronx Borough President

## **Letter from the BXEDC and Bronx Tourism Council Team**

The Bronx Economic Development Corporation is proud to once again with The Bronx Tourism Council to present Bronx Week, a borough-wide celebration of the people, places, and progress that make The Bronx an extraordinary place to live, work, and build.

Each year, Bronx Week reminds us of what happens when civic pride meets community spirit. Throughout May, residents and visitors alike will enjoy a full calendar of free family-friendly events — from neighborhood festivals and cultural tours to our signature Bronx Parade and grand finale concert. These experiences capture the energy, creativity, and opportunity that define our borough.

As part of this year's festivities, BXEDC is proud to host the 3rd Annual BX Factor, our small business pitch competition awarding a \$10,000 cash prize to one visionary entrepreneur.

This initiative embodies our mission: empowering Bronx-based businesses with the capital, exposure, and support they need to thrive. We're also honored to support several signature Bronx Tourism Council programs, including The Bronx Walk of Fame, where outstanding Bronxites will be recognized for their achievements and contributions. This year's inductees — including the recipient of our third People's Choice Award from the culinary arts. Their accomplishments will be celebrated during the Walk of Fame ceremony and at The Bronx Ball, hosted by our partners (Visit [ilovethebronx.com](http://ilovethebronx.com) for ticket information.)

From vibrant marketplaces on the Grand Concourse to the sounds of live music at the Bronx Week Concert, every gathering is an opportunity to celebrate what makes The Bronx special — its people, resilience, and promise.

We encourage all Bronx residents, small business owners, and community partners to participate, connect, and celebrate with us. Together, we continue to show the world what makes The Bronx not just a borough, but a movement.

Sincerely,

The Bronx Economic Development Team

## Carta de la presidenta del condado del Bronx

Estimado vecino,

¡Feliz Semana del Bronx 2026! Me enorgullece anunciar el regreso de esta tradición anual, que se celebra del 1 al 17 de mayo, para conmemorar todo aquello que hace que nuestro distrito sea fuerte, vibrante y lleno de promesas, pasión y propósito. Este año, bajo el lema "El Bronx lidera", honramos a las personas, instituciones y comunidades que siguen marcando el camino y dando forma al futuro de nuestro distrito.

La Semana del Bronx celebra lo mejor de nuestro distrito, desde nuestros veteranos, adultos mayores y educadores hasta nuestros jóvenes, pequeños empresarios, profesionales de la salud, artistas y organizaciones comunitarias. Es un reflejo de las personas que hacen del Bronx un lugar maravilloso para vivir, trabajar y visitar, y nos recuerda la fortaleza y el espíritu que nos definen.

Espero que utilicen este calendario como guía para explorar todo lo que la Semana del Bronx tiene para ofrecer y participar en los numerosos eventos y actividades programados durante la celebración. Desde la Ceremonia de Incorporación al Paseo de la Fama del Bronx, que incluye el Premio del Público de este año, que honra a un líder destacado en las Artes Culinarias, hasta el Desfile de la Semana del Bronx y el Festival de Comida y Arte, hay algo para que todos disfruten.

Gracias a nuestros increíbles colaboradores y patrocinadores por hacer posible esta celebración y convertirla en un rotundo éxito cada año. Su apoyo constante nos permite dar vida a la Semana del Bronx y mostrar a las personas y los lugares que hacen de nuestro distrito un verdadero destino global.

Es un honor para mí servir como su Presidente del Distrito del Bronx, y espero celebrar con todos ustedes mientras seguimos impulsando juntos el progreso de nuestro distrito. La Semana del Bronx de este año no solo celebra quiénes somos, sino que también refleja hacia dónde nos dirigimos y todo lo que nos depara el futuro.

Atentamente,

Vanessa L. Gibson,  
presidenta del condado  
del Bronx

## **Carta del equipo de BXEDC y del Consejo de Turismo del Bronx**

La Corporación de Desarrollo Económico del Bronx se enorgullece de colaborar una vez más con el Consejo de Turismo del Bronx para presentar la Semana del Bronx, una celebración en todo el distrito de las personas, los lugares y el progreso que hacen del Bronx un lugar extraordinario para vivir, trabajar y construir.

Cada año, la Semana del Bronx nos recuerda lo que sucede cuando el orgullo cívico se une al espíritu comunitario. Durante todo el mes de mayo, residentes y visitantes disfrutarán de un completo programa de eventos gratuitos para toda la familia, desde festivales vecinales y recorridos culturales hasta nuestro emblemático Desfile del Bronx y el gran concierto de clausura. Estas experiencias reflejan la energía, la creatividad y las oportunidades que caracterizan a nuestro distrito.

Como parte de las festividades de este año, BXEDC se enorgullece de presentar la tercera edición de The BX Factor, nuestro concurso anual de presentación de proyectos para pequeñas empresas, que otorga un premio en efectivo de \$10,000 a un emprendedor visionario. Esta iniciativa refleja nuestra misión: empoderar a las empresas del Bronx con el capital, la visibilidad y el apoyo que necesitan para prosperar. También nos honra apoyar varios programas emblemáticos del Consejo de Turismo del Bronx, incluido el Paseo de la Fama del Bronx, donde se reconocerá a los residentes destacados del Bronx por sus logros y contribuciones. Los homenajeados de este año incluyen al ganador de nuestro tercer Premio del Público en la categoría de artes culinarias. Sus logros se celebrarán durante la ceremonia del Paseo de la Fama y en el Baile del Bronx, organizado por nuestros socios (Visite [ilovethebronx.com](http://ilovethebronx.com) para obtener información sobre las entradas).

Desde los vibrantes mercados de Grand Concourse hasta los sonidos de la música en vivo en el concierto de la Semana del Bronx, cada encuentro es una oportunidad para celebrar lo que hace especial al Bronx: su gente, su resiliencia y su promesa.

Invitamos a todos los residentes del Bronx, propietarios de pequeños negocios y socios comunitarios a participar, conectarse y celebrar con nosotros. Juntos, seguimos mostrando al mundo lo que hace del Bronx un lugar único. No es solo un distrito, sino un movimiento.

Atentamente,

El equipo de BXEDC
