

AutoPay Authorization Terms

By agreeing to the AutoPay Authorization Terms and enrolling in AutoPay, you authorize our banking partner [via Cloaked Pay, LLC] to initiate recurring (a) automated clearing house (“ACH”) debit entries from your specified checking account, (b) debit entries from your specified debit card, or (c) debit entries from your specified Credit Card, (together, your checking account, ACH, and debit card, are “Linked Accounts”), as follows:

- **Range of Acceptable Debit Amounts:** up to \$[[\$2,500]] per day.
- **Frequency of Debits:** multiple times per day (however, debits may not occur every day and will be based on your usage of the Cloaked Pay, LLC)

To ensure we properly withdraw your payment, please confirm that you provided the correct payment details. You acknowledge that you have the right to a notice of all varying transfer amounts for ACH debit entries to your checking account and debit entries to your debit card, but you agree that we will only provide you notice when the debit amount exceeds the “Range of Acceptable Debit Amounts” listed above. This means that you acknowledge and agree that the amount and frequency of the debits you authorize may vary.

You must notify us if (i) any information changes with your Linked Accounts, (ii) you wish to add or remove a Linked Account, or (iii) you want to stop a payment or cancel AutoPay, where applicable Your AutoPay payments will continue until you cancel AutoPay or close your Cloaked Charge Card Account with a zero balance. To revoke an upcoming AutoPay, you must cancel AutoPay or revoke that specific authorization at least three (3) business days before the payment is scheduled. If you wish to cancel Autopay or revoke a specific authorization, you can do so within the Cloaked Dashboard, under Settings. You acknowledge that once we have begun processing a payment, we cannot cancel or edit the payment.

You confirm that you are authorized to initiate transfers from the Linked Accounts and that you authorize such transactions from the Linked Accounts via automatic electronic withdrawal.

You agree that: (a) your browser is equipped with at least 128-bit security encryption; (b) you are able to print, store, or otherwise save a copy of this electronic authorization for your records; and (c) the AutoPay transactions you authorize comply with applicable law. **Please print a copy of this form and keep it for your records.**
