Donations

Wyre Forest Dial-A-Ride, trading as Wyre Forest Community Transport, provides mainly volunteer-run transport services for people living in Wyre Forest and surrounding area who cannot use public transport or their own for essential journeys, including medical appointments and social wellbeing activities, due to disability, illness, frailty or remote living. We depend on volunteer drivers using their own vehicles and driving our own fleet of wheelchair-accessible minibuses. Our volunteers always do their best to help our clients.

We need your help to maintain this vital service for future years.

Please help if you can with:

- **Donation** - online at our website, ctwyre.org.uk or by cheque payable to Wyre Forest Dial-A-Ride at the address above
- **Standing Order** - ask your Bank Manager to arrange a regular donation to Wyre Forest Dial-A-Ride. We have a form available on request or via our website
- **Gift in your will** - a typical bequest form is shown below – or obtainable from your own solicitor

If you have any queries or comments about our service or the funding needed, please call our Chief Office on 01562 755084.

How to leave a gift in your will

Would you like to support us with a gift in your will?

It is easy for you to help others by gifting a sum to us to continue our community transport services. Simply decide how much to give and complete the form below, signing it together with two witnesses. Then give it to your solicitor or attach it to your will.
