Chazak Foundations

Training Catalog

2

Culture and Outreach

Prepare to communicate hope across cultural and religious barriers.

Support Raising

Build the skills needed for partnership development and ministry sustainability.

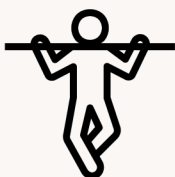

Wilderness First Responder (WFR)

Earn a nationally recognized certification in medical care for wilderness settings and austere environments

Information Security & Travel Safety

Learn how to navigate travel risk and protect sensitive data on the field.

Physical Training

Cultivate physical discipline as part of a whole-person approach to service.

Ministry Fair & Closing Ceremony

Meet representatives from real-world ministries. You'll hear firsthand about opportunities to serve, share what you've learned, and make connections for future deployment or mission work. This capstone moment celebrates your growth and opens doors for what comes next.
