

Job Title: UI/UX Design Intern

Location: New York City / Remote

Position Type: Part-time Internship

Latte, a networking app, is seeking talented UI/UX Design Interns to join our growing team. As a UI/UX Design Intern, you will work closely with our product and development teams to create engaging user interfaces and seamless user experiences for our platform.

Responsibilities:

- Work with experienced designers to create wireframes, prototypes, and user flows
- Assist in designing user interfaces for our mobile and web applications
- Collaborate with cross-functional teams to define user needs and product requirements
- Conduct user research and gather feedback to inform design decisions
- Stay up-to-date with industry trends and best practices in UI/UX design
- Contribute to maintaining and improving the visual and user experience consistency across all platforms

Requirements:

- Pursuing a degree in Design, HCI, or related field
- A passion for design and a desire to learn more about UI/UX
- A strong interest in mobile and web application design
- Experience with Sketch, Figma, or other design tools (preferred but not required)
- Understanding of user-centered design principles and methodologies (preferred but not required)
- Ability to collaborate with cross-functional teams and stakeholders
- Strong communication skills and attention to detail

At Latte, we are committed to creating a diverse and inclusive workplace. We welcome and encourage applications from all qualified candidates.

If you are a creative problem-solver with a passion for designing seamless user experiences, apply now to join our team as a UI/UX Design Intern.

If you are interested in applying for this position, please submit your portfolio to hiring@latteconnect.com. We look forward to hearing from you!
