

## GROUP DECREES – OCTOBER 2025

- 1** We call upon the Power (x3) of Light and Love in everyone and everything to unite (x3) through our connected hearts. All around the Earth, we stand as a network of lighthouses to occupy (x3) in our Presence, purity and strength, to blast through darkness. We trust in love, we are the Light and stand firm side-by-side.
  
- 2** In the name of Divine Powers of the Cosmic Light that works through the eons of time, to bring humanity forth to its greatest good and Christ Love. Issued in the name of Truth, Justice, and the Eternal Flame of Light. We demand Light infiltrates and hold journalists and media influencers of the Earth. We command the Light support these workers to:

Go forth as keepers of Light in a world shadowed by deceit.  
You are chosen not by power, but by purpose - to unveil what darkness hides.  
To awaken what corruption silences.  
Let every truth you reveal be guided by the radiance within.  
Do not speak to dazzle - speak to illumine.  
Do not write to destroy - write to redeem.  
For every word carries the spark of creation, and every silence the risk of night.

Charge (x3) your being with Light.  
Charge (x3) your being with Truth.  
Charge (x3) your being with integrity.  
Charge (x3) your being with humility.

- 3** Beloved Mighty I AM Presence and Great Central Sun! We call upon the Legions of Light in their absolute power to make us an invincible pillar of Light anchored in the Heart of the Earth. Surround us with the Violet Consuming Flame and sustain us with the Elohim of Peace.  
We invoke all pillars of Light under this command to expand our illumination through us forever.

---

**4** We invoke the Legions of Light, Masters, Angels and Archangels to descend, descend, descend and remove all barriers, doubt and fear from human hearts and minds, so that they be filled with the Infinite Love of the Divine Presence. May we find the humility to recognise that no one of us is greater than the other as we are all children of God.  
Manifest (x3) Truth, Faith and Freedom to align humanity with your Healing Flame of Cosmic Love and Peace.

I AM THAT I AM (x3)  
SO, BE IT!
