

INNER ALCHEMY TEMPLE CEREMONY AND REPORT SUBMISSION. NEW GUIDELINE PROCEDURE

To further help with the performance of the IA Temple Ceremony remotely and the submission of the report, this version updates the one described in the Homework Annex, which was given after the Y4 Energy Module.

1.- PERSONAL PREPARATION

- Follow the personal preparation instructions: clean and consecrate your room. Cleanse your aura and align yourself. Decree the Violet Flame. Be ready 5 minutes before starting time.
- Ensure privacy and silence throughout the entire ceremony.
- To make the gathering more participative and engaging, the leader can ask for other participants to help in guiding the reading of one of the decrees. This should be determined beforehand so each helper should know which decree he/she should guide in order to open their microphone before starting the specific decree.
- Direction reminder: enter reverently and, attuning yourself, walk counterclockwise through the Bases (1 to 3) and Columns (1 to 10). At the end, turn and walk clockwise the Columns (10 to 1) and Bases (3 to 1) taking your energies with you.
- Exit facing the Altar and walking backwards in reverence.
- Optional: share the screen with the image of the IA Temple

2. GROUP CONNECTION (by the leader)

- Perform three conscious breathing cycles.
- Affirm all together: **“I am at the Service of Life, Truth, and Higher Purpose!”**

3. OPENING AND CONSECRATION (by the leader)

- The leader enters and lights the candles from the central fire.
- She/he opens decreeing loudly the **Consecration of the Space:**

I consecrate this space to Light, Truth, and Higher Purpose!

May all that manifests here be in Harmony with the Higher Will of the Divine Plan.

May this space be protected and available for the Service that will be performed here. I am at the Service of Life, Light, Truth, and Higher Purpose!

I AM THAT I AM (3x)

So, Be It!

- The leader makes their way through the Bases (1 to 3) and all the Columns (1 to 10) and remains in the Centre to begin the ceremony.
- Immediately afterwards, the leader calls each participant by name and invites them to begin their counterclockwise entrance remaining inside the Temple. The names are spoken slowly, but there is no pause between names. The intention is to make the process more ceremonial and tangible for everyone, ensuring that no one is overlooked. The Temple is an **etheric space**, and the experience should unfold for all participants **simultaneously** within it.
- Once all participants are inside the temple, the ceremony begins.

4. PREPARATION FOR SERVICE

- The leader or a helper would guide with an open microphone, and everybody decrees:

Divine Presence I AM in our hearts, and in the hearts of the people present here and in the hearts of all humanity, take over the guidance and control of Your Emanation of Life. Fill us with Your Light and radiate it, making this space increasingly ready to receive the Divine Gifts that will flow to help humanity.

We thank You for the opportunity to serve.

I AM THAT I AM! (3x).

5. INVOCATION TO THE GREEN FLAME OF TRUTH

- The leader or a helper would guide with an open microphone, and everybody decrees:

In the Name of the Beloved, I AM Presence which I Am, in our hearts,
we invoke the Mighty Flame of Truth!

We command that you take over all places on this beloved planet
where any livestream is crying out for Truth.

Precipitate Your Sacred Fire upon the mental body of all humanity, break all the
negative thought forms we generate, and dissolve all narrow and fanatical ideas.

From humanity in general, free the emotional body from all falsehood, impurity, and
lack of control.

From humanity in general, cleanse the etheric body and all imperfect records built up
over centuries.

For humanity in general, shine forth in our physical bodies and help us free ourselves
from the tendency to accept and manifest imperfections, diseases, and imbalances.

Powerful Green Flame, we also pray for those who ask to know the Truth, choosing
to leave the mass consciousness.

Remove from them all vibratory action that is less than the Truth and Sustain them
in this quest.

May the Emerald Green Flame of Truth show humanity in general,
the perfect path of Return Home.

We accept this call, now fulfilled in Glory and forever!

I AM THAT I AM! (3x)

6- BLESSING FROM THE GREAT DIVINE DIRECTOR

- Only the leader decrees:

Children of the Diamond Heart,

I envelop you in the Golden Flame of My Love,

I protect you with the shield of My Power,

I lift you up by the hands of your Own Divinity,

I bless you with the fullness of My Light,

I give you the sceptre of your Own Dominion, and

I seal you in the Eternal Freedom of your ascension,

in this supreme ecstasy, the Presence of the Diamond Heart I AM!

I AM THAT I AM! (3x)

7. INTENSIFYING THE POINTS OF LIGHT (by the leader)

- Unite the whole group again as one body.
- Starting from the **3D**: the leader should guide the Alignment – grounding with the Figure of Light at the feet and connecting with the Presence above the head. Establishing the connection with each participant, slowly illuminate all the Points of Light in the body. Sustain this frequency and hold the group as **One Unit**. Give 1 or 2 minutes of silence to feel it.
- **7D**: slowly, the leader should guide the group to intensify the **Points of Light** and receive the Light from the Presence. Unify the group and, again, stabilize the whole group to sustain the energy at this level – individually and as a group. Sense and get in touch with each participant, feeling each other's Presence and recognizing the quality of each member at this level. Stabilize, sustain this frequency and hold the group as **One Unit**. Give 1 or 2 minutes of silence allowing each person to experience the process and inviting them to observe or receive any message or impression at this level.
- The leader should now begin to guide the group to reach the **10D**: slowly continue guiding intensifying the frequency of the Points of Light brighter and brighter and calling for more Light in and around each of the participants. Stabilize and sustain the frequency and the intensification at the **10D**. Invite the group to observe or receive any message or impression at this level, individually and as a group. Sense and get in touch with each participant, feeling each other's Presence and recognizing the quality of each member at this level. Stabilize, sustain this frequency and hold the group as **One Unit**.
- Now, give 2-4 minutes of silence, guiding the group to hold and sustain the **visualization** of the **whole group emanating Peace and Harmony** to all Humanity and the Earth. Once again, stabilize, sustain the 10D frequency and hold the group as **One Unit**.
- After the emanation of Peace is done, start the descend together. Guide the group to decelerate breathing in the belly and returning slowly from the **10D** feeling more and more the physical body – weight and density of the body – passing through the **7D** feeling more and more the physical body – weight and density of the body- until reaching the **3D**. Continue breathing and stabilizing the whole group, feeling each participant.
- Before asking them to open their eyes, ensure that everyone is grounded and fully present and return to the **3D**, to the physical body and room.
- Afterward, the leader may ask if anyone wishes to share anything they feel is relevant.

8. EXITING THE TEMPLE

- To conclude and formally close the Temple, the leader calls each participant by name and invites them to begin their clockwise exit through the Columns (10-1) and Bases (3-1), never turning their back to the altar. Remember that it is an **etheric space**, and the experience should unfold for all participants **simultaneously**.
- Maintain silence and meditative posture, until everyone is out of the Temple and it is closed by the leader.
- The leader does not leave yet.

9. ELECTRONIC CIRCLE DECREE

- The leader or a helper would guide with an open microphone, and everybody decrees:

We demand, we command, and we insist, and I AM the Mighty I AM Presence that I AM, which directs and forever maintains, around the Inner Alchemy Temple, the Electronic Circle charged with the Cosmic Victory of the Invincible Unfed Flame of Eternal Harmony!

We command that the Blue Ray of Cosmic Purity and Harmony descend (3x) upon us, instantly consuming and dissolving all manifestations of selfishness and negativity before they can ever act or approach, and that we stand Free, masters of our world, everywhere forever (3x)! May the Blue Lightening of Invincible Cosmic Purity be around the Inner Alchemy Temple, charging it with the Victory of the Invincible Eternal Flame.

I AM THAT I AM! (3x)

10. CLOSING THE TEMPLE

- The leader finishes their journey walking clockwise through the Columns (10 to 1) and the Bases (3 to 1), while extinguishing the candles and closing the Temple.
- The leader decrees:

RETURN THE FLAME OF THE CANDLE TO THE UNIVERSAL SOURCE

Now, as we return this physical Flame to the Great Central Sun, from where it came,
we ask that it be our Messenger and carry, to the Heart Centre of Creation, the call of our Heart for all Light, all Love, all Power, all Sacred Fire, and all Divine Providence necessary to force the extinction of all human creations. May all human creations be replaced by the Purity, Victory, Light, and Freedom of Beloved Saint Germain and Jesus Christ for all humanity and throughout all ages. May the Divine Plan of Eternal and Invincible Freedom and Victory of Light for the whole World be fulfilled.

I AM THAT I AM! (3x).

SO, BE IT!

- Finally, the leader invites everyone to give thanks and celebrate once again the opportunity to serve humanity.

11.- LISTEN TO THE MUSIC “NON NOBIS DOMINE”

It is time to commemorate together the opportunity to serve the Light and to say goodbye with the certainty and humility of having each done their part.

UPDATED TEMPLE REPORT STRUCTURE

A new Google Forms Worksheet is now available for your Temple Reports:

<https://forms.gle/CpuzKAw3xpWpEymSz>

It should be sent by each student after the monthly Temple meeting.

The form is simpler to use and focuses on the key aspects we would like you to attend during the Temple practice. **No need** for the leader to send an extra report.

Personal Notes

From now on, your personal notes about your perceptions of each **Temple Column** will be for your own use only — you **do not** need to **send** them to us.

We encourage you to continue taking these notes, as they are a valuable tool for reflection and for tracking your inner development.

We hope this new format lightens your workload and helps reduce stress.
